

DEQ Seeks Comments on Proposed Prospective Purchaser Agreement for Former Streimer Sheet Metal Works, Inc. Properties in Portland

The Oregon Department of Environmental Quality seeks comments on a proposed Prospective Purchaser Agreement with Cascadia Community Impact Fund LLC for the former Streimer Sheet Metal Works, Inc. properties that make up a 3.17-acre site located within and adjacent to two city blocks on the north side of North Russell Street between North Mississippi Avenue and North Borthwick Avenue. The company intends to redevelop the project area into a mixed-use neighborhood featuring residential spaces and public amenities, as part of a larger initiative to revitalize the historic Albina community in North Portland.

For more information: To view project documents and information on how to comment on this proposed action by Jan. 5, 2026, see the public notice at ordeq.org/publicnotices.
