

RESOLUTION NO. 2675

A RESOLUTION APPROVING A FIVE YEAR EXTENSION OF THE FIRE AND EMERGENCY MEDICAL SERVICES INTERGOVERNMENTAL AGREEMENT WITH THE CITY OF GRESHAM.

THE TROUTDALE CITY COUNCIL FINDS AS FOLLOWS:

1. That by Resolution No. 2281 on April 14, 2015, the City entered into a four cities Intergovernmental Agreement (IGA) for Fire and Emergency Services provided through the Gresham Fire Department for the 10 year service period beginning July 1, 2015.
2. That due to the City of Gresham proposed change in the IGA costs methodology, the IGA renewal cost increases have proved financially unsustainable for the three cities of Fairview, Troutdale and Wood Village.
3. That the Three Cities met in a joint meeting on April 9, 2025, at the City of Wood Village Council Chambers to discuss and pursue options for alternatives for fire and emergency medical services.
4. That following the April 9, 2025 joint meeting, the City of Gresham offered a one-year extension of the expiring IGA at a higher rate, but less than the previously proposed new 10-year IGA rate, which would allow the four Cities six months to continue to discuss the needs and options for long-term effective and sustainable fire and emergency medical services.
5. That by Resolution No. 2651 on May 27, 2025, the City entered into the *"First Amendment to Intergovernmental Agreement for Fire and Emergency Services"* (First Amendment) provided through the Gresham Fire Department providing for a 1 year service period extension beginning July 1, 2025.
6. That through the First Amendment, four Cities agreed that by December 31, 2025, a decision would be reached by each City as to whether the amended Fire Services IGA should be extended, or to pursue options for alternatives for fire and emergency medical services.
7. That through ongoing productive discussions amongst the four Cities it has been determined that more time is necessary to properly evaluate options and subsequently pursue a long-term effective and sustainable fire and emergency medical services.

8. That to allow each City, and the four Cities, the professional firefighter's union and interested Fire Districts collectively, sufficient time to evaluate, select, and pursue a long-term effective and sustainable fire and emergency medical services, the City of Gresham offered a five-year extension of the expiring Fire Services IGA.

9. That the Oregon Revised Statutes (ORS) 190.110 provides the necessary authority for the Cities to enter into an amendment of the IGA, and the four cities desire to enter into the IGA, which will continue to provide quality and professional fire and emergency services to the three cities, and which would serve a valuable, necessary and authorized public purpose, and that doing so is in the best interest of the City.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF TROUTDALE:
