Dear Reyna,

I apologize, this email was sitting in my drafts. The Oregon Department of Environmental Quality was notified of a petroleum leak from an underground storage tank system at 22 North Coast Hwy, Newport, Oregon.

Please complete or have your contractor complete and return the attached 20-day report by **May 30, 2025**.

Project Number: 21-25-0242

Project Name: Newport Exxon Mini Mart III

! If you wish to pursue DEQ oversight and closure, register for a responsible official account in [Your DEQ Online](#) and complete the [LUST/Leaking HOT Cost Recovery Agreement](#) submittal.

If you have any questions or want to submit documents, please contact us at unassigned.lust@deq.oregon.gov.

Thank you,
Rachel Long
