RE: Project Assignment
for K.F. Jacobsen in Portland
LUST #26-98-1133

Randall H. Steed:

The purpose of this letter is to inform you that I have been assigned as project manager for your underground storage tank (UST) decommissioning and cleanup project located at 1208 North River Street in Portland, Oregon. As a reminder, the Department of Environmental Quality (DEQ) is required by law to recover its costs in reviewing and overseeing work on UST cleanup projects.

If you have any questions regarding DEQ's work on or involvement with your project, please contact me by phone at (503) 229-5369 or by e-mail at kevin.dana@deq.oregon.gov. Your efforts in investigating and cleaning up the releases from your underground storage tanks are appreciated.

Sincerely,

Kevin Dana, UST Cleanup Specialist
Northwest Region Cleanup & Tanks
