A RESOLUTION ESTABLISHING A BASIC COMPENSATION PLAN FOR THE EMPLOYEES OF THE CITY OF ASTORIA AND ESTABLISHING REGULATIONS FOR THE PLACEMENT OF PRESENT EMPLOYEES WITHIN THE WAGE AND SALARY SCHEDULES PROVIDED

WHEREAS, the establishment of the principles of equal pay for equal work and compensation incentives for continued improvement in service by City employees should result in more efficient and more economical municipal government; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ASTORIA:

Section 1. Establishing Pay Plan. That there is hereby established a basic compensation plan for employees of the City of Astoria who are now employed, or will in the future be employed, in any of the classifications of employment listed in Sections 4, 5, 6, and 7, which are arranged in collective bargaining units, and Sections 8 and 9, which include employees not in a bargaining unit.

Section 2. Salary And Wage Schedules. That the following salary and wage schedules shall constitute the basic compensation plan, consisting of a base or entry rate (Step 1) and four merit steps in the corresponding range on the schedule. The pay rate for salaried employees exempt from overtime is shown as a monthly rate. The pay rate for employees not exempt from overtime pay is shown as an hourly rate. Stability Pay shall be part of the basic compensation plan. (See Section 4.6 of the Personnel Policies and Procedures Manual).

Section 3. Classified Position Allocation. That the following is a computed salary schedule and position allocation. All increases above the base rate for each range are called merit steps. Step increases are merit increases and are not automatic but must be earned by the employee. (See Section 4.5 of the Personnel Policies and Procedures). Each range is identified by a number. Each step within the range is identified by a number; 1 is the entry rate, with Steps 2, 3, 4, and 5. The following salary schedules are listed by employee groups:
