ADVERTISEMENT FOR BIDS

February 23 2026

The City of The Dalles, Oregon is soliciting bids for right-of-way and City property herbicide spraying to be completed at various times throughout the calendar year ending December 31, 2026. Specifically, all work is expected to be completed by October 31, 2026, but additional work orders will be allowed at the City’s sole discretion. The City reserves the option to renew the contract with the successful bidder for up to two additional full calendar years (2027 and 2028).

Scope of work:

- Approximately 24 miles of roadside/right-of-way and alley spraying within The Dalles city limits as more specifically described and illustrated in the attached list and maps.
- Spraying around City facilities as more specifically described and illustrated in the attached list and maps.
- Spray locations may be assigned throughout the year based on weather conditions and regrowth.

Maps and a list of weed control spray locations are included herein.

Target weeds include but are not limited to:

- Annual and perennial grasses
- Broadleaves: dandelion, burdock, etc.
- Annuals: Puncture Vine
- Woody: Blackberry, Tree of Heaven (*Ailanthus altissima*), Poison Oak, etc.

Combinations of one or more of the following chemicals have been used in the roadside weed spray program in the last six years: Crossbow; Esplanade; Garlon 3A; Grounded; Hel-Fire (Helena); Honcho Plus (ITO); Karmex 80 DF; Milestone; Oust XP; Roundup Custom; Roundup Pro Concentrate; Surflan AS; Telar XP; Trumpcard; Trycera; Weedestroy AM 40

Minimum Qualifications:

- State of Oregon Department of Agriculture Pesticide Applicator’s license with Right-of-Way endorsement
- Driver’s license
- Insurance coverage as describe in the table below

Minimum Insurance Requirements:

Type of Insurance	Limits of Liability
Worker’s Compensation	At least, Statutory Worker's Compensation
Comprehensive General Liability	\$1,000,000 (each occurrence) \$2,000,000 (aggregate)
Professional Liability	\$2,000,000
Commercial Automobile Liability - Combined single limit per occurrence (including coverage for all owned, hired, and non-owned vehicles)	\$1,000,000

Proposal and cost estimate shall include:

- Documentation that the contractor meets minimum requirements
- Description of method(s) of work completion (e.g. equipment used, temperature threshold to ensure contact time and avoid volatilization, precautions to protect workers and the public, other safety practices, etc.)
- Chemicals to be used for target weeds
- Proposal for timing of chemical applications for most effective weed control by category: Annual and perennial grasses, broadleaves, Puncture Vine, woody, Tree of Heaven (*Ailanthus altissima*)
- Lump Sum cost for spraying locations previously described with itemized listing for labor, materials and equipment

All responses to this Advertisement for Bids must be received no later than 2:00 p.m. Pacific Standard Time on Monday March 16, 2026 2026. Bids may be submitted via email to jhoyenga@thedalles.gov. The duty is on the bidder to ensure that the required bid documents are attached to any email being sent to the City in response to this Advertisement for Bids. Paper submittals that are mailed USPS to the address below shall be sent certified to the address below. Paper submittals may also be hand delivered to:
