

Council Roundup March 16, 2026

City Council met for their regularly scheduled meeting and the following transpired:

- Heard a presentation from the city manager on the statistical data from 2022-2025
- Heard a presentation on the replacement plans for the roof of City Hall, to be brought back to council on 4/20/2026 for approval.
- Approved Resolution [2026-4018](#) adopting the new monthly water, wastewater, stormwater, and transportation utility fee rates for the City of Newberg effective January 1, 2027, and January 1, 2028.
- Discussed the creation of an Ad-Hoc Committee for the River Street Renovations and gave staff directions to begin work on recruitment.
