## Comment 1: Oregon Department of Forestry

Good morning,

The only correction I have at this point for the ODF section is that the "Small Forestland Option" is technically called the "Small Forestland Owner Minimum Option."

I also appreciate this sentence: "There are multiple other requirements or exceptions found in the forest practice rules not included in the table."

If I receive any additional feedback internally from ODF I will let you know by the deadline.

Thank you for the opportunity to provide comment.

Rebecca McCoun
