ADDENDUM #2 AND NOTICE OF CANCELLATION

Facilities Building Construction Project
Project No. 2026-009
July 9, 2026

The City issues this Addendum #2 and Notice of Cancellation for the June 18, 2026, *Invitation to Bid and Contract Documents*, as amended by Addendum #1 (ITB) for **Project No. 2026-009**.

1. **Cancellation**. The City cancels the ITB for Project No. 2026-009 in its entirety before Bid Opening. Bid Closing and Bid Opening scheduled for 2:00 p.m. Pacific Prevailing Time on Tuesday, July 14, 2026, are canceled. No Bid will be opened, considered, evaluated, or awarded under this solicitation.
2. **Good Cause and Public Interest Finding**. The City finds good cause to cancel this solicitation and finds cancellation is in the public interest. After issuance of the ITB, the City determined that the Project plans, specifications, code-review materials, and permit-related documents should be revised and completed before the City receives and evaluates Bids. Cancellation will allow the City to prepare a clearer and more complete solicitation package, preserve fair competition, reduce bidder uncertainty, and better ensure that all bidders price the same code-compliant scope of Work.
3. **Disposition of Bids**. If the City received any Bid before issuance of this Addendum #2, the City will not open the Bid and will maintain it in a secure and confidential state consistent with the ITB and applicable law. No bidder is required to submit first-tier subcontractor disclosures or any other Bid-related materials under the canceled solicitation.
4. **Anticipated Resolicitation**. The City anticipates resoliciting the *Facilities Building Construction Project* after revised plans, specifications, and permit-related materials are prepared. Any future solicitation will be issued separately and advertised or posted in accordance with applicable law and the City's *2026 Local Contract Review Board Rules*. Bidders and interested persons will have the opportunity to compete under any future solicitation.
5. **No Liability**. Consistent with the ITB, the City is not liable to any bidder, prospective bidder, subcontractor, supplier, or other person for any loss or expense caused by or resulting from the cancellation, delay, or resolicitation of this procurement.

Bidders are not required to acknowledge receipt of this Addendum #2.
