**City of Sherwood, Oregon
RESOLUTION NO. 91-505**

A RESOLUTION ADOPTING A CITY PARKS AND OPEN SPACE MASTER PLAN UPDATE, AS PREPARED FOR THE CITY BY DAVID EVANS AND ASSOCIATES AND DATED JULY 1991, DIRECTING THAT THE FINDINGS OF THIS PLAN UPDATE BE INCORPORATED INTO THE SHERWOOD COMPREHENSIVE PLAN, AND ESTABLISHING AN EFFECTIVE DATE.

WHEREAS, the City of Sherwood adopted an Environmental Resources chapter of the Sherwood Comprehensive Plan in 1981 including sections on Recreational and Natural Resources and a comprehensive Recreation Master Plan Map, and

WHEREAS, the City completed State mandated "Periodic Review" of its Comprehensive Plan in March 1991, and as part of that review the Environmental Resources chapter, Natural and Recreational Resources sections, and renamed Natural Resources and Recreation Plan Map received some updating and modification, and

WHEREAS, costing for the facilities discussed in the Environmental Resources chapter have never been established, and in addition several major open space plans and issues have emerged recently, such as the previously approved Stella Olsen Park Master Plan and the proposed Tualatin Valley National Wildlife Refuge, and are not reflected in the Comprehensive Plan, and

WHEREAS, the City is required to provide for facility costing in order to comply with new State system development charge statutes, and the Parks System Development Charge Fund is the sole consistent source of funding for capital improvements to the City Parks System, and

WHEREAS, the City Budget Committee approved funding and the City Council initiated the preparation of a stand alone Parks and Open Space Master Plan Update, and such a Plan Update has been prepared for the City by David Evans and Associates in consultation with the City Council, Sherwood School District 88J, the City Parks Advisory Board, and the City's consultants for system development charges, and

WHEREAS, the City Council and Parks Advisory Board reviewed a draft Parks and Open Space Master Plan Update in joint worksession on July 1, 1991, and the Parks Advisory Board conducted a public hearing on the Plan Update on July 16, 1991 and recommended approval of the Plan Update to the City Council, and

WHEREAS, the stand alone Parks and Open Space Master Plan Update is intended to compliment and implement the existing Comprehensive Plan, and does not supersede any current natural resource or recreation policies, except for adjusting facility standards based on State approved criteria that are actually less restrictive than current City standards.

NOW, THEREFORE, THE CITY RESOLVES AS FOLLOWS:

Section 1. Update Adopted. The 1991 Parks and Open Space Master Plan Update, attached hereto as Exhibit "A", is hereby ADOPTED.

Section 2. Guidelines. The findings and standards of the 1991 Plan Update, in conjunction with applicable policies in the Comprehensive Plan, shall serve as guidelines for planning parks and open space system capital improvements.

Section 3. Comprehensive Plan. Applicable sections of the 1991 Plan Update shall be incorporated into the Comprehensive Plan in conjunction with other changes necessitated by the City Council's recent consideration of new system development charges and other land use fees.

Section 4. Effective Date. This Resolution shall become effective upon approval and adoption.

Duly passed by the City Council on _____.
