

City of Sherwood, Ore.
RESOLUTION NO. 89-429A

WHEREAS the City of Sherwood has a strong interest in the proper management of surface water; and

WHEREAS recent events, including the adoption by the Environmental Quality Commission of new Tualatin River water quality criteria necessitate prompt and effective action to address drainage through the Tualatin River basin; and

WHEREAS the Steering Committee for Surface Water Management in Washington County, composed of elected officials from numerous Washington County cities, has recommended that the authority of the Unified Sewerage Agency (USA) be expanded to include drainage and surface water management, and

WHEREAS the City has worked effectively with the USA to meet the sanitary sewer needs of our citizens and hereby finds that expanding that partnership to include surface water is desirable.

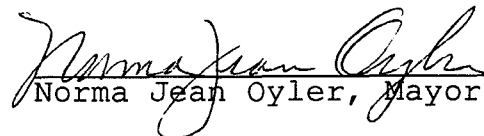

Now Therefore the City of Sherwood Resolves as follows:

Section 1: That, pursuant to ORS 198.720 (1) and ORS 199.462, the City hereby consents to granting the Unified Sewerage Agency, an ORS Chapter 451 county service district, the authority to manage drainage and surface water within the boundaries of said Agency and consents to being within the boundaries of said Agency.

Section 2: That a certified copy of this Resolution promptly be forwarded to the Board of Directors of the USA for submittal with the requisite petition to the Portland Area Local Government Boundary Commission.

Section 3: This Resolution shall be effective upon approval and adoption.

Dated this 22nd day of March, 1989.
