RESOLUTION No. 89-434
SPECIAL CITY ALLOTMENT

R E S O L U T I O N

WHEREAS, under the provisions of ORS 366.800 and 366.805, there has been withdrawn from state highway funds appropriated for allocation to the several cities of the State of Oregon the sum of Two Hundred Fifty Thousand and No/100 (\$250,000.00) Dollars, and in addition there has been withdrawn from monies available to the Department of Transportation from the State Highway Fund the sum of Five Hundred Thousand and No/100 (\$500,000.00) Dollars, and said sums having been set up in a seperate account to be administered by the Oregon Transportation Commission and to be allotted each year by said Commission to be spent, within cities, upon streets not a part of the state highway system, which are receiving excessive wear through sudden increases in population in the area or heavy and unusual traffic; and

WHEREAS, the City of Sherwood is an incorporated city of the State of Oregon and has a population of less than 5,000 as given by the latest official federal census; and

WHEREAS, the following streets of said City, Meinecke Road

are not a part or parts of the state highway system, but are streets under the jurisdiction and control of said City which are "receiving excessive wear through sudden increases in population in the area or heavy and unusual traffic"; and

WHEREAS, said streets are and each of them is in need of repair, reconstruction, or other major improvement.

NOW, THEREFORE, the members of the City Council, in regular or special session assembled, do hereby find, declare, and resolve:

1. That the aforementioned named streets of said City are in need of repair, reconstruction, or other major improvement.

2. That said streets are in their present state and condition of disrepair by reason of excessive wear through sudden increases in population in the area, or by heavy and unusual traffic.

3. That the Oregon Transportation Commission hereby is respectfully requested to consider and declare said streets as qualified for reconstruction, repair, or other improvements out of funds allocated and made available by and through the said \$750,000 appropriation of revenues which is to be administered and spent by the Transportation Commission.

4. That the City of Sherwood does hereby offer to Transportation Commission and does hereby pledge complete cooperation and assistance to the end, that said City may share and participate in the use and benefit of said special fund and appropriation; and therefore does designate Tad Milburn as the official representative of the City in all negotiations resulting from this request.

Passed and approved this 24th day of May, 1989.

There is attached hereto and made a part hereof, a city map on which is indicated the street, streets, road, or roads, described in this resolution.

I hereby certify that the foregoing resolution was passed and approved by the City Council of the City of Sherwood at a regular or special meeting of said Council, held on the 24th day of May, 1989, and the above copy is a true and correct copy of the original and of the whole thereof.

Dated this 24th day of May, 1989.

City Recorder

By James H. Papp
City Administrator

The construction of this project would complete improvements to the major school bus route which links the grade school, intermediate school and high school. Meinecke Road is also a major link between Hwy 99W and Old Town and is becoming more heavily used due to the congestion at Six Corners.

The proposed section would provide for a half-street improvement which would be expanded as development takes place on the north side of the road. The proposed section also provides for a left turn lane at the main high school entrance and completion of a sidewalk/bikepath from Old Town to the high school.

A large golf course project surrounded by 500 to 600 new homes is proposed to develop nearby, beginning in the summer of 1990 (see attached map). This development includes property just 100 feet west of the High School. Based on the City's Transportation Plan one of the two major exits from the project will be onto Meinecke Road. This development will add a considerable increase in traffic to this section of roadway.

SUBJECT: Special City Allotment (SCA) Grant

This letter is to officially affirm the Sherwood Board of Education's strong support for the City of Sherwood's Special City Allotment (SCA) Grant proposal that allows for road improvements on Meinecke Road, in front of Sherwood High School. The Board of Education views the proposed roadway improvements as having a significant impact on the safety conditions for school students and the community.

The Sherwood Board of Education has unanimously approved a resolution dedicating the required additional right of way of tax lots 1000 and 1100:31AA subject to the award of the grant to the City of Sherwood.

The school district appreciates the City of Sherwood's interest in improving the safety conditions around our schools and looks forward to working together on future projects.

Please contact me if I can be of any assistance in this matter.

Sincerely,

Dr. Bill Hill, Superintendent
