City of Sherwood, Oregon

Resolution No. 2000-893

**A RESOLUTION ENDORSING THE FUNDING REQUEST FROM ODOT-
REGION 1 FOR THE SHERWOOD ACCESS MANAGEMENT BONDING
PROJECT**

WHEREAS, the Oregon Department of Transportation (ODOT) and the City of Sherwood have worked on transportation planning issues and the Transportation System Plan for the past five or more years; and

WHEREAS, the City teamed with ODOT to recently complete a trip budgeting model that the city intends to implement into its comprehensive plan and zoning ordinances; and

WHEREAS, the City is interested in controlling access on Highway 99W and preventing any additional signalized intersections in Sherwood's portion of 99W after the Meinecke-99W intersection is completed; and

WHEREAS, reconstruction of the Meinecke-99W intersection has been one of the city's highest transportation priorities since the current Transportation System Plan was adopted in 1990; and

WHEREAS, Meinecke Road is intended to serve as the primary gateway to downtown Sherwood from Highway 99W in the future; and

WHEREAS, the City is currently investing its own funds to complete a preliminary alignment study for the Meinecke-99W intersection and Meinecke gateway into Sherwood.

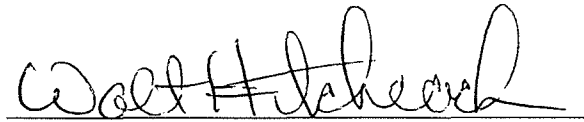

NOW, THEREFORE, THE CITY RESOLVES AS FOLLOWS:

Section 1. To fully endorse the Sherwood Access Management Bonding project application by ODOT-Region 1 which will provide funding for engineering

and construction of access management improvements on Highway 99W, including reconstruction of the Meinecke-99W intersection; and

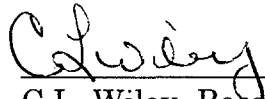

Section 2. To contribute significant local matching funds to the reconstruction of the Meinecke-99W intersection.

Duly passed by the City Council this 8th day of August 2000.

Walt Hitchcock, Mayor
