### **A RESOLUTION AMENDING RESOLUTION 2001-923, ADOPTING A SCHEDULE OF FEES AS AUTHORIZED BY THE CITY ZONING AND COMMUNITY DEVELOPMENT CODE, ESTABLISHING FEES FOR MISCELLANEOUS CITY SERVICES AND ESTABLISHING AN EFFECTIVE DATE**

**WHEREAS**, the Sherwood Municipal Code authorizes certain administrative fees and charges to be established by Resolution of the City Council; and

**WHEREAS**, the City performs and offers certain services, the cost of which are most reasonably borne by the recipient, as opposed to paying for said services from general City funds; and

**WHEREAS** the City Manager has developed a set of administrative fees and charges for the Council and City to use when assessing general fees for permits, applications, and services, and recovering general costs of performing actions requiring oversight and administration by City staff; and

**WHEREAS**, the City has heretofore adopted Resolution 96-663, adopting a schedule of development fees, subsequently updated by Resolution 99-821 and Resolution 2001-923; and

**WHEREAS**, the City has heretofore adopted Resolution 2001-963 and 2001-979, approving increases in SDCs for stormwater improvements and traffic impact; and

**WHEREAS**, the City has heretofore adopted Resolution 2002-029, Resolution 2002-048, and Resolution 2002-049, approving changes to the fees schedules; and

**WHEREAS**, the City Council believes it is most appropriate and fiscally responsible that fees and charges for all services be set by the City Council, and at a level whereby reasonable costs are recovered; and

**WHEREAS**, the City has met the requirement for providing an opportunity for public comment prior to the adoption of this fee resolution as required by ORS 294.160.

**NOW THEREFORE, THE CITY RESOLVES AS FOLLOWS:**

Section 1. Adoption: The City of Sherwood Rates and Fees Schedule, attached hereto as Exhibit A, is hereby approved and adopted, and supercedes all prior development fee and charges schedules and miscellaneous fee schedules.

Section 2. Effective Date: This Resolution shall become effective immediately upon its passage and approval by the Mayor.
