

**Resolution 2004-027**

**A RESOLUTION TO AWARD CONTRACT FOR CONSTRUCTION OF OPTICAL CABLE FROM SHERWOOD TO THE PITTOCK BUILDING IN PORTLAND, OREGON.**

**WHEREAS**, The Sherwood Urban Renewal Plan Advisory Committee (SURPAC) has recommended a project that will provide the City's Old Town and other areas in the City with speed of light data communications; and

**WHEREAS**, The Sherwood Urban Renewal District Board has approved Funding for this project; and

**WHEREAS**, The Sherwood City Council at their regular meeting on March 9<sup>th</sup>, 2004, acting as the Local Contract Review Board, authorized the issuance of an RFP (Request For Proposals) to install, construct and test a fiber network connection; and

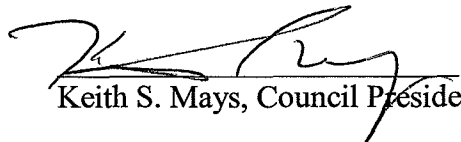

**WHEREAS**, City staff has reviewed the four proposals submitted in response to the RFP; and

**WHEREAS**, City Staff recommends contract award to Portland General Broadband as a qualified respondent to the RFP;

**NOW, THEREFORE, THE CITY RESOLVES AS FOLLOWS:**

The City Manager is authorized to sign contract documents with Portland General Broadband in the amount of \$242,680 to construct, install and test the fiber network connection from Sherwood to the Pittock Building in Portland per the PGE response to our RFP and other communication on file in the Office of the City Manager City of Sherwood.

**Duly passed by the City Council this 13th day of April 2004.**

  
Keith S. Mays, Council President
