

Record note: See 11.08.2006 City Council Minutes. Resolution number 2006-061 pulled from 11.08.2006 agenda. Brought back at 11.21.2006 meeting and changed to Ordinance 2006-020.

**Resolution 2006-061**

**A RESOLUTION REQUIRING ALL PERSONS DESIRING TO WORK IN PUBLIC RIGHT OF WAY TO OBTAIN A PERMIT ISSUED BY THE CITY PRIOR TO BEGINNING WORK**

**WHEREAS**, the City of Sherwood wishes to maintain the quality and integrity of the existing roads and streets constructed within the City; and

**WHEREAS**, the City has developed and established construction standards to insure the quality of the construction and the installed facilities; and

**WHEREAS**, from time to time it becomes necessary to install or connect to utilities within or across the existing street areas.

**NOW, THEREFORE, THE CITY RESOLVES AS FOLLOWS:**

**Section 1:** The City Engineer is authorized to establish and maintain Right-of-Way Permits, conditions and standards necessary to insure that all work performed in the public right of way is conducted in a manner that minimizes disturbance to the public, controls quality of the repairs and otherwise protects the public interest.

**Section 2:** Resolution 93-567 is hereby repealed in its entirety.

**Section 3:** This Resolution shall be effective upon its approval and adoption.

**Duly passed by the City Council this 8th day of November, 2006.**
