

RESOLUTION 2018-065

AUTHORIZING A SHERWOOD BROADBAND RESIDENTIAL PILOT PROJECT

WHEREAS, the City of Sherwood's broadband utility, Sherwood Broadband has extensive broadband infrastructure within the City of Sherwood; and

WHEREAS, some of this infrastructure is in residential subdivisions where Sherwood Broadband doesn't currently provide service; and

WHEREAS, Sherwood Broadband would like to implement a pilot project to provide residential Internet service within 11 developments and newly constructed developments for a period of two years or less; and

WHEREAS, the estimated cost to provide the base service in the 11 developments is \$75,000 and the average onetime cost to provide service to the customer is \$400.

WHEREAS, the expense for the residential pilot project will come out of the Sherwood Broadband fund.

NOW, THEREFORE, THE CITY OF SHERWOOD RESOLVES AS FOLLOWS:

Section 1. That the City Manager is authorized to direct Sherwood Broadband to begin the implementation of a residential pilot project in the 11 developments shown in Attachment A and future residential developments.

Section 2. This Resolution shall be effective upon its approval and adoption.

Duly passed by the City Council this 17th of July, 2018.

Keith Mays, Mayor
