

Special meeting of Planning Commission for City of Glenwood was held at City Hall September 16th 1965. Chas. J. Jansen called meeting to order at 8:30 PM. Present were Chas. Jansen, Francis Ross, Howard Wilson, Tom Pettigrew and Keith Hultings. The minutes of the preceding meeting were read and approved.

Discussion followed on sewerage addition plans of ARA Investment Co. Section Hultings moved, Ross seconded that ~~proposed~~ this Commission recommend to City Council acceptance of ARA Inv Co. proposal of September 8, 1965 germane to this sewerage addition. Motion passed.

Tom Pettigrew moved that this Commission recommend to the Council that ARA Investment Co. be permitted to use temporary sewage systems for few more homes on lots ~~1 & 2~~ in Block 4 lots 1, 9, 10 & 49 in Block 2. and that the permanent sewage disposal arrangements be completed by or before January 1, 1967. Howard Wilson seconded. Motion passed.

Marcel Hite submitted a sketch to the Planning Commission of proposed changes in his building being altered to suit the industrial occupancy. Hultings expressed a firm opinion that the Anderson cannot fairly & equitably represent both the city and Marcel Hite in this matter. The Commission discussed the matter at some length. Tom Pettigrew moved that this Commission recommend to the Council that Marcel Hite be permitted to occupy his barn as a machine shop providing he does not erect a fence or leave anything outside the confines of the present structure - and that when as & if any material is left or stored outside the building an abatement proceeding ~~shall~~ be instituted immediately. Ross seconded. Motion passed. Meeting adjourned 10:10 PM.
