

ORDINANCE No. 128..

An Ordinance for making street improvements on Washington Street, in the City of Sherwood, Oregon, from the southeasterly line of 1st Street to the northwesterly line of Railroad Street, prescribing the character of material to be used, providing that the costs and expenses of said improvement be assessed against the property benefitted thereby, and declaring an emergency.

The City of Sherwood does ordain as follows:

Section 1. That Washington Street, in the City of Sherwood, Oregon, be improved from the southeasterly line of 1st Street to the northwesterly line of Railroad Street, by bringing the surface of said street to the proper subgrade, paving the roadway with portland cement concrete pavement 42 feet 8 inches wide and of an approximate thickness of six inches, laying and constructing concrete curb (except where curb is already constructed) driveways, concrete cornerstones at driveways, providing suitable drainage, and by doing such other improvement work as will make a proper and appropriate improvement.

Section 2. That the cost and expense of such improvement work be assessed against the lots, tracts or parcels of land abutting upon that part of Washington Street so improved, and that such work be done in the manner prescribed in this ordinance and as provided by the charter of said City.

Section 3. That the City Engineer of said City be and he is hereby directed to estimate the whole expense of said improvement, as prescribed by the Charter of said City, and to report such estimate to this City Council.

Section 4 Inasmuch as the above mentioned street improvement is necessary for the public convenience, health, peace and safety of said City, and it is necessary that the same be done without delay, an emergency is hereby declared to exist, and this ordinance shall take effect and be in force from and after its approval by the Mayor.

Passed by the City Council this July 27 1925.

Attest:

B. Duerr

Recorder.

J. E. Moorback

Mayor.
