MEMORANDUM

October 2, 1963

Subject: Amendment of Section 3 of Ordinance No. 124 relating to pinball licensing.

The council has suggested that the \$25.00 per quarter pinball licensing fee be changed to \$25.00 per year. Because the license term is three months and no change was suggested in the term, it would be necessary to reduce the \$25.00 figure to \$6.25 to carry out the wishes of the council.
