Purpose

If approved, this measure authorizes the City of Sherwood to levy property taxes outside the present tax base in the amount of \$82,000 for fiscal year 1985-86 only. The funds will finance repair of certain streets in the City, including the asphaltic overlay of Oregon Street and Pacific Street between Pine Street and Murdock Road and the reconstruction of the Oregon Street railroad crossing, in addition to funds for repairs budgeted from within the tax base. The estimated tax cost for this measure is an estimate only, based on the best information available from the County Assessor at the time of the estimate.
