Proposed City Charter Amendment Adding Section  
Re: Solid Waste Incinerators

Section 11.8. Solid Waste Incinerators.

The operation of solid waste incinerators for any commercial, industrial, or institutional purpose is prohibited in the City. For the purposes of this Section, solid waste is defined as per ORS 459.005(24), and includes infectious wastes as per ORS 459.386(2). Provided said incineration or burning is otherwise properly permitted, this prohibition shall not apply to furnaces, incinerators, or stoves burning wood or wood-based products, petroleum products, natural gas, or to other fuels or materials not defined as solid waste, to yard debris burning, or to small-scale specialized incinerators utilizing solid waste produced as a byproduct on-site and used for energy recovery purposes only. Said small-scale specialized incinerators must be integral to and part of, but clearly ancillary, secondary, and incidental to, a permitted or conditionally permitted use in the City, and cannot utilize infectious wastes or any fuels derived from infectious wastes. This prohibition shall also not apply to solid waste incinerators lawfully permitted to operate prior to September 5, 1990, but shall apply to any expansion, alteration, or modification of such a use or any applicable permits.
