ASSESSED VALUE FOR THREE YEARS OUTSIDE TAX BASE  
FOR LIBRARY SERVICES BEGINNING 1997-98?”

## Summary

It is estimated that the proposed City of Sherwood library levy of \$.58 per \$1000.00 of assessed value would provide \$273,980.00 in 1997-98, \$345,215.00 in 1998-99, and \$434,971.00 in 1999-2000. The tax is subject to the limit of Section 11b of Article XI for governmental purposes other than public school education purposes.

The funds provided by this levy will be used for the expenses of hiring and providing a librarian and library assistants; associated materials and equipment; for maintaining the expanded library hours; for a \$30,000 annual book budget; and for other library services expenses above any amount budgeted to be paid from the General Fund. By law, the money provided by this levy may be used only for these library operational expenses.

This levy, if approved, will replace the current 3 year \$.58/\$1,000.00 of assessed value tax rate serial levy for library services when it ends on June 30, 1997. This levy, if approved, will commence July 1, 1997, and continue through June 30, 2000.

Approval of this measure is not expected to reduce the property tax collections of other non-school district units of government available under the provisions of Section 11b, Article XI, Oregon Constitution and implementing legislation.
