SEWER EASEMENT

KNOW ALL MEN BY THESE PRESENTS, that CHARLIE DESMOND, hereinafter termed "Grantor", for and in consideration of the sum of Dollars, and the benefits accruing to Grantor herefrom does hereby grant, bargain, sell and convey to the CITY OF SHERWOOD, OREGON, a municipal corporation duly organized and existing under the laws of the State of Oregon, hereinafter termed "Grantee" the following described interest in real property in the County of Washington, State of Oregon:

PERMANENT EASEMENT (see also easement map labeled Exhibit "A" attached)

A perpetual right-of-way and easement for underground sewer line purposes on, over, across, under, along, within and through the lands of Grantor, including the right of ingress thereto and egress therefrom at all reasonable times by agents, contractors, and employees of the Grantee and the right to excavate for, construct, reconstruct and maintain a sewer line. Said right-of-way and easement for sewer line purposes is described as follows:

A strip of land 20 feet in width situated in the southeast one-quarter of Section 20, Township 2 South, Range 1 West, Willamette Meridian, Washington County, Oregon, being 10 feet each side of the following described centerline:

Beginning at a point on the south line of that tract of land described in that certain real estate contract recorded December 4, 1979 as Document No. 79050794, Washington County Deed Records, which point is 198.07 feet westerly of the east line of said Section 20; thence North 8°43'39" East 134.52 feet to the southerly right-of-way line of State Highway 99W and the terminus of said easement centerline; TOGETHER WITH a temporary easement for construction purposes described as follows:

TEMPORARY EASEMENT

A strip of land 100 feet in width, 25 feet easterly and 75 feet westerly of the above described centerline.

Said Temporary easement is automatically extingushed following Grantee's acceptance of completed sewer in adjacent permanent easements.

The rights and privileges herein granted to the Grantee are subject to condition that the Grantee, its agents, employees and contractors shall suffer or do no damage to said property unless the same is fully repaired, shall restore grounds as nearly as possible and reasonable to the pre-existing condition, shall maintain and operate said sewer line at Grantee's expense in such a manner and to such an extent as to not unduly interfere with the continued use and enjoyment of the property by the Grantors for purposes not incompatible with the rights herein granted, and shall save and hold harmless the Grantor from any liability for damages whatsoever arising in connection with the Grantee's activities on said property.

The Grantor hereby represents that he has no knowledge of any changes or claims superior to the sewer easement estate conveyed herein.

It is a condition to the granting of the temporary construction easement herein described that construction activity within the easement area shall not commence prior to harvest of grantor's 1981 crop, if any, now growing within the easement area, and further that no construction shall be carried on within the easement area between May 1, 1982 and the time the grantor's 1982 crop is harvested in the fall of 1982. The Grantee and its contractor, in the event that construction has not been completed prior to April 15, 1982, shall cease operations until after harvest of the 1982 crop, shall restore the premises to farmable condition by April 15, 1982, and shall leave the easement area in farmable condition during said crop period.

Grantee further covenants that all grantor's existing drain tiles and pipes from the west boundary of the temporary easement area to Rock Creek shall be replaced with new PVC drain pipe to proper depth and grade upon completion of installation of the sanitary sewer lines prior to acceptance of the contractor's work.

Grantor specifically retains the right to claim further compensation for losses and damages which arise as a resulf of the following:

- (a) Reduction in crop yields as a result of construction, operation, and maintenance activities conducted by the Grantee, its agents, employees and contractors.
 - (b) Damage to drain tiles and drainage systems.
- (c) Crop losses and reduction in land values due to impairment of drainage systems and/or reduction in productivity of the soil.
 - (d) Damage to fences or boundary markers.
- (e) All increased operating expenses and all other expenses reasonably incurred by Grantor as a result of the construction, operation, or maintenance activities conducted by Grantee, its agents, employees and contractors.

Grantee acknowledges that the compensation paid for the grant of this easement does not include payment for damages hereafter arising, if any, listed and described hereinabove.

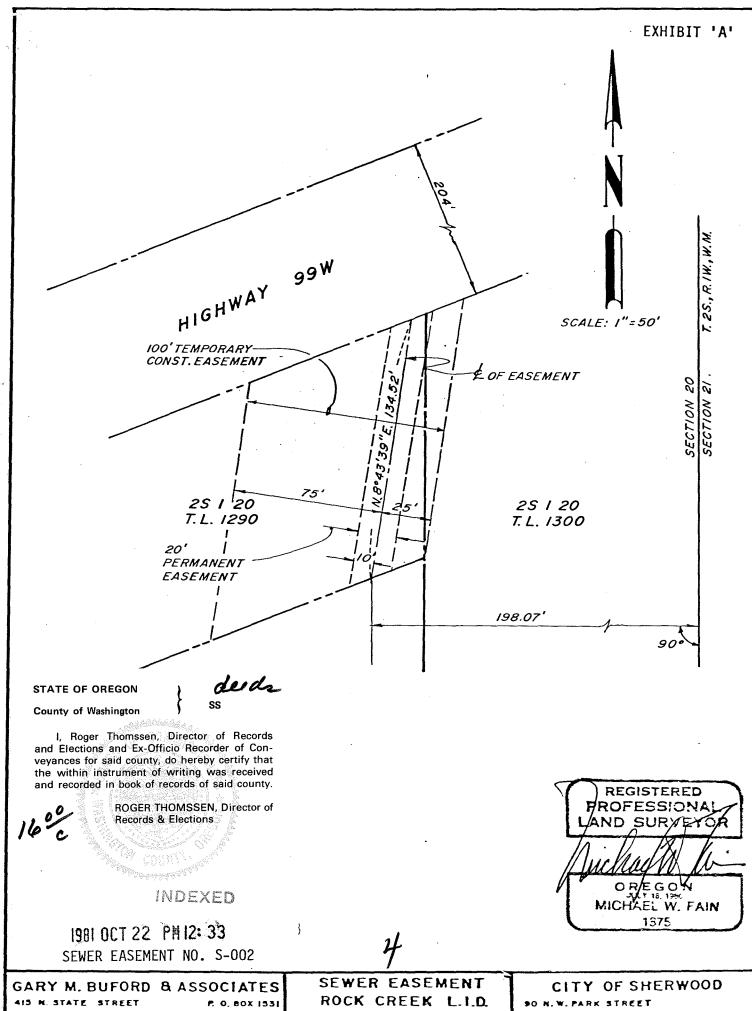

Grantee represents and warrants that the construction activities will conform and comply with the standards and specifications as stated in the contract documents for the construction of sanitary sewer improvements, Rock Creek Water and Sewer Local Improvement District for the City of Sherwood, dated July, 1981, and addendums issued thereto since said date.

TO HAVE AND TO HOLD the above described and granted premises unto the Grantee and its assigns forever.

IN WITNESS WHEREOF, the Grantor has affixed his signature this day of October, 1981.
