Please get the Mayor's signature on this. Since I don't recall doing this before, I think they are full of it, but we'll appease them. To make it legal it should probably list him as Mayor and URA Board Chair, since it was the URA that purchased the property.

Once it is signed please ask Tina to scan it and send me and Julie Fisher a copy, and then send the title company the original.

Thanks...tn

Dear Mr. Nelson - the Washington county Tax assessors office notified us regarding the attached deed - they will not accept it without a signed, notarized acceptance and acknowledgment from the mayor or legal counsel for the City.

I have prepared the acknowledgment page if you could please have it signed and notarized and returned to my attention I will have the document re-recorded to satisfy the county's requirement.

Please feel free to contact me if I can be of any assistance or if you have any questions.

Thank you,
