A photograph of a single-story building with light green horizontal siding and a brown roof. The building has two main entrances. The entrance on the right is larger and features a set of double glass doors with dark brown frames. Above this entrance is a large white sign with a brown border that reads "Public Works & Utility Department". To the left of this entrance is a smaller windowed door. In front of the building is a paved parking lot with white diagonal lines. A blue handicapped parking sign is visible on the left side of the lot. Bare tree branches are visible in the upper left corner of the frame.
