

RESOLUTION 2025-052

ADOPTING THE BIENNIAL YEAR 2025-27 BUDGET OF THE CITY OF SHERWOOD FOR THE BIENNIAL BUDGET PERIOD JULY 1, 2025 - JUNE 30, 2027, MAKING APPROPRIATIONS, IMPOSING AND CATEGORIZING TAXES, AND AUTHORIZING THE CITY MANAGER TO TAKE SUCH ACTION NECESSARY TO CARRY OUT THE ADOPTED BUDGET

WHEREAS, the Sherwood Budget Committee has reviewed and acted on the proposed City budget; and

WHEREAS, the Sherwood Budget Committee approved and recommended a balanced budget to the City Council on June 5, 2025; and

WHEREAS, in accordance with State law, the Sherwood City Council has held a public hearing on the budget as approved and recommended by the Sherwood Budget Committee; and

WHEREAS, the City Council desires to adopt the approved budget and carry out the programs identified in the budget.

NOW, THEREFORE, THE CITY OF SHERWOOD RESOLVES AS FOLLOWS:

Section 1: **Adoption of the BY2025-27 Biennial Budget.** The City Council of the City of Sherwood, Oregon hereby adopts the budget for the 2025-27 biennial budget period in the sum of \$184,528,469, now on file at City Hall and attached hereto as Exhibit A.

Section 2: Making Appropriations. The amounts for the 2025-27 biennial budget period and for the purposes shown below are hereby appropriated as follows:

	General	General Construction	Public Art	Economic Dev & Promotion	Transient Lodging Tax	Grants	Community Investment	Street Operations	Street Capital	Water	Sanitary	Storm	Broadband
Administration	7,626,236												
Comm. Dev.	4,410,342												
Public Safety	14,901,086												
Comm. Serv.	6,818,702												
Public Works	6,449,697												
Operations				318,709		181,170		5,544,330		9,577,588	1,810,237	4,359,396	20,202,443
Capital		1,083,414							5,710,534	3,273,556	3,029,998	2,349,287	
Debt Service										4,483,293	152,737		2,481,590
Transfers Out	256,900				367,000	9,059		1,500,000					
Contingency	1,953,235		118,702	5,000		83,381	1,157,936	634,224		805,282	199,470	333,030	1,545,016
Total Appropriations	42,416,198	1,083,414	118,702	323,709	367,000	273,610	1,157,936	7,678,554	5,710,534	18,139,719	5,192,442	7,041,713	24,229,049
Total Unappropriated and Reserve Amounts	2,532,951	6,231,641		216	30,811		3,000,000	3,457,341	12,615,708	24,236,772	2,402,661	9,753,319	6,534,468
	\$44,949,150	\$7,315,055	\$118,702	\$323,924	\$397,811	\$273,610	\$4,157,936	\$11,135,895	\$18,326,243	\$42,376,491	\$7,595,103	\$16,795,031	\$30,763,517

Total Adopted Budget for BY2025-27 \$184,528,469

Section 3: **Imposing and Categorizing Taxes.** The City Council of the City of Sherwood hereby imposes the taxes provided for in the adopted budget at the City's permanent rate of \$3.2975 per \$1,000 of assessed value for permanent rate tax; and that these taxes are hereby imposed for tax year 2025-26 and 2026-27 upon the assessed value of all taxable property within the City of Sherwood as of 1:00 a.m. July 1, 2025.

The City of Sherwood hereby categorizes the taxes imposed for purposes of Article XI section 11b as follows:

	<u>Subject to the General Government Limitation</u>
Permanent Rate Tax	\$3.2975 / \$1,000

Section 4: **Filing.** The Budget Officer shall certify to the County Clerk and County Assessor of Washington County and the Oregon State Department of Revenue the tax levy made by this resolution and shall file with them a copy of the budget as finally adopted.

Section 5: **City Manager Authorization.** The City Manager is hereby authorized to take such action as is necessary to carry out the adopted budget.

Section 6: **Effective Date.** This Resolution shall be effective upon its approval and adoption.

Duly passed by the City Council this 24th day of June, 2025.

Kim Young, Council President

*Distinguished
Budget Presentation
Award*

PRESENTED TO

City of Sherwood

Oregon

For the Fiscal Year Beginning

July 1, 2024

Christopher P. Morill

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the City of Sherwood, Oregon for its annual budget for the fiscal year beginning July 1, 2024.

In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide as a financial plan, and as a communication device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

How to Make the Most of the Budget Document

This budget document serves to:

- Present the City Council and the public with a clear picture of the services the city provides.
- Provide city management with a financial and operating plan that adheres to the city's financial policies.
- Communicate the vision of the City Council and Leadership Team for the City of Sherwood.
- Present financial and organizational operations for each of the city's departments.

Reader's Guide

The reader's guide provides a variety of information about the city.

- Awards
- Budget Message
- Sherwood's history
- Demographic information
- Council Mission, Values, and Goals
- City organization chart
- Oregon budget process, including an explanation of funds

Revenues & Expenditures

This section includes current revenue by source and current expenses by major category. This section also includes an overview of the main sources of revenue for the city, including a review of Oregon's

property tax system; as well as an overview of the major categories of expenses; personal services, materials and services, and capital outlay.

Debt Service & Capital Improvement Plan (CIP)

This section includes information on our Broadband Bonds, Water Bonds and URA Bonds.

The CIP establishes, prioritizes, and ensures funding for projects to improve existing and develop new infrastructure and facilities. While the CIP serves as a long-range plan (20 years), it is reviewed and revised annually.

Budget Detail

This section includes the detailed biennial budgets for the City as a whole, each fund, division, and program in the City.

Appendix

The Appendix includes the FTE schedules, salary schedules, financial policies, and a glossary with acronyms.

Sherwood City Manager Budget Message
Biennial Years 2025-27
May 22, 2025

To the Honorable Mayor Tim Rosener, members of the Sherwood City Council, members of the Sherwood Budget Committee, and to the citizens of Sherwood:

I am proud to present the City of Sherwood's first biennial budget for Fiscal Years 2025–2027. This marks a significant milestone, offering a more strategic and long-term approach to fiscal planning and service delivery.

Despite a challenging financial environment, this budget establishes a strong foundation for preserving core services, advancing City Council priorities, and ensuring long-term fiscal sustainability. It was developed with careful consideration of current economic conditions, including persistent inflation and uncertainties around key revenue sources. As a result, we made several difficult but necessary decisions to reduce expenditures responsibly and sustainably.

Sherwood faces declining revenue from photo enforcement, slowing private development, reduced state-shared revenues, and flat franchise fees, all while demand for City services continues to grow. At the same time, costs related to employee compensation, infrastructure maintenance, and general service delivery continue to rise. These pressures have required reductions in staffing and operating budgets, which may lead to service delays, reduced capacity, and added strain on employees. However, these adjustments were made strategically to protect essential services and support the City's long-term resilience.

Thanks to Sherwood's conservative fiscal practices and robust five-year forecasting model, this proposed biennial budget is balanced, both as required by state law and in accordance with the City's financial policies. It is structurally sound, with ongoing revenues aligned with ongoing expenditures. While we will continue to monitor and adjust to economic shifts, this budget reflects a disciplined and forward-looking approach to meeting current needs while planning for the future.

The City Council's adopted goals provide the framework for aligning daily operations with long-term community priorities, ranging from Economic Development, Infrastructure, Livability & Workability, Public Safety, Fiscal Responsibility to Citizen Engagement. This budget reflects the Council's commitment to addressing Sherwood's evolving needs.

In addition to the General Fund, the City manages several enterprise funds including Water, Wastewater, Stormwater, Broadband, and Streets, which are supported by user rates rather than property taxes. Though these funds also face inflationary pressures, annual rate reviews and adjustments help ensure continued investment in maintenance, compliance, and reliable service delivery.

A summary of the proposed budget by the different funds in comparison to the current adopted budget is shown below.

Total Budget (All Funds)

The proposed total budget for BY2025-27 for all funds is \$263.7 million. When comparing FY2024-25 to the first year of the biennial budget, the year-over-year increase is 24.4%, and when comparing the first year to the second year of the biennial budget, the change is a decrease of 5.8%.

Within the proposed biennial budget, Personal Services in total is \$49.9 million. In the first year of the biennium, Personal Services accounts for \$24.3 million, an increase of 5.2% over FY2024-25. In the second year of the biennium, Personal Services accounts for \$25.6 million, an increase of 5.4% over the first year. Personal Services includes all salaries and wages, payroll taxes and employee benefits.

Budget in Brief				
	2024-25 Budget	Biennial		2025-27 Total Proposed
		2025-27 1st Year	2025-27 2nd Year	
Expenditures				
General Fund				
Administration	\$ 3,786,303	\$ 3,792,887	\$ 3,833,349	\$ 7,626,236
Community Development	2,517,154	2,100,551	2,309,791	4,410,342
Police Services	6,982,818	7,249,078	7,652,008	14,901,086
Community Services	3,198,656	3,322,918	3,495,784	6,818,702
Public Works	4,054,217	3,295,255	3,154,442	6,449,697
Transfers Out	105,000	127,400	129,500	256,900
Subtotal General Fund	20,644,148	19,888,089	20,574,875	40,462,964
General Construction Fund	1,371,986	562,087	521,327	1,083,414
Public Art Fund	150,501	-	-	-
Economic Development & Promotion Fund	188,187	176,864	184,526	361,390
Transient Lodging Tax Fund	155,000	182,000	185,000	367,000
Grants Fund	215,455	105,210	85,019	190,229
Street Operations Fund	3,168,499	3,551,156	3,491,925	7,043,081
Investment Fund	341,410	-	-	-
Street Capital Fund	4,803,916	3,058,755	2,651,779	5,710,534
Subtotal General Govt. Funds	31,039,102	27,524,160	27,694,452	55,218,612
Water Enterprise Fund	8,033,777	8,508,980	8,825,457	17,334,437
Sanitary Enterprise Fund	2,730,582	1,531,149	3,309,086	4,840,235
Storm Enterprise Fund	2,889,244	3,729,615	2,979,067	6,708,682
Telecommunications Fund	5,256,839	12,098,469	10,583,563	22,682,032
Subtotal Enterprise Funds	18,910,442	25,868,213	25,697,173	51,565,386
Total All Funds	\$ 49,949,544	\$ 53,392,373	\$ 53,391,625	\$ 106,783,998

Materials and services (M&S) expenses are operating expenses incurred during the normal course of business including professional services, supplies, utilities, and property and liability insurance. Within the proposed biennial budget, Materials and Services (M&S) in total is \$26.5 million. In the first year of the biennium, M&S accounts for \$13.1 million, a decrease of 2.2% over FY2024-25. In the second year of the biennium, M&S accounts for \$13.4 million, an increase of 2.3% over the first year.

Capital Outlay consists of vehicle and large equipment purchases as well as infrastructure improvements within the General Construction, Water, Storm and Streets funds. Within the proposed biennial budget, Capital Outlay in total is \$21.2 million. In the first year of the biennium, Capital Outlay accounts for \$11.9 million, an increase of 36.5% over FY2024-25. In the second year of the biennium, Capital Outlay accounts for \$9.3 million, a decrease of 21.5% over the first year. Within the proposed biennial budget, Debt Service, the payment of outstanding financing for capital improvements in total is \$7.1 million. In the first year of the biennium, Debt Service accounts for \$3.1 million, an increase of 14.8% over FY2024-25. In the second year of the biennium, Debt Service accounts for \$4.0 million, an increase of 29.0% over the first year.

Total expenditures in the proposed biennial budget are \$107.0 million. In the first year of the biennium, total expenditures are \$53.5 million, an increase of 7.0% over FY2024-25. In the second year of the biennium, total expenditures are \$53.4 million, a slight decrease over the first year.

General Fund

The General Fund is the primary operating fund of the City including administration, police services, community development, community services, and a portion of public works. Since General Fund revenues are unrestricted in use, citizens usually focus a great deal of attention on this fund in reviewing the budget. Revenues for this fund largely consist of property taxes, franchise fees, licenses, permits, and court fines.

Within the proposed biennial budget for the General Fund, total Personal Services is \$34.3 million. In the first year of the biennium Personal Services is \$16.7 million, a 0.4% decrease over FY2024-25, and in the second year of the biennium Personal Services is \$17.6 million, a 5.3% increase over the first year. Within the proposed biennial budget total M&S is \$5.0 million. In the first year of the biennium M&S is \$2.4 million, a 19.1% decrease over FY2024-25, and in the second year of the biennium M&S is \$2.6 million, a 5.9% increase over the first year. Within the proposed biennial budget, total Capital Outlay is \$1.0 million. In the first year of the biennium Capital Outlay is \$0.7 million, a 17.0% decrease over FY2024-25, and in the second year of the biennium Capital Outlay is \$0.3 million, a 50.4% decrease over the first year. This Capital Outlay includes routine large expenditures such vehicle purchases, communication equipment, and other large equipment. Excluding the one-time transfers out, the combination of these changes in each of these categories leads to an overall increase of 3.5% in the proposed General Fund expenditures biennium budget.

I am recommending the use of a portion of the General Fund ending fund balance as well as one-time revenues to fund one-time expenditures of \$611,632 while adhering to the City Council fiscal policy of retaining 20% of our operating revenues in our ending fund balance each year.

General Fund

As part of our normal five-year financial forecasting, we have updated our General Fund Ending Fund Balance forecast using this proposed budget. Some key assumptions in this forecast include:

- The City of Sherwood continuing with its past practice of preparing a “conservative” forecast. A conservative forecast is cautious on revenues while assuming “worst case” for expenditures.
- Beginning July 2025, the City’s biennium required contribution PERS rates were changed: 29.39% for Tier 1 and Tier 2 employees, 24.39% for OPSRP General Services and 29.66% for OPSRP Police and Fire employees.
- The impact of the City’s 2021 Urban Renewal Agency.
- City wide assessed property tax value “new growth” increasing on average 1.1%. This is in addition to the assumed 3% increase.
- With the completion of construction on Tualatin-Sherwood Road and the new design of the intersection, traffic revenues have declined. This budget and forecast reduce future revenue because of the new design.

It is important to note a few major aspects related to our General Fund balance:

- In recent years City Council has decided to use some of the General Fund balance towards one-time projects and for maintenance that had been deferred. This proposed budget again uses some of the ending fund balance for one-time expenditures.
- Our financial policies require an unrestricted fund balance of 20% of fund revenue. Our ending fund balance for BY2025-27 is projected to be 22%, which exceeds our financial goal. The five-year forecast shows a projected ending fund balance of 20%.
- The forecasted General Fund balance at the end of FY29-30 is \$4,824,704. Built into the forecast is the city’s asset replacement plan for Fleet, Parks and Facilities. Those costs amount to \$1,691,670. Additionally, deficit spending occurs from July 1st through November 1st every year in the General Fund. Property taxes, a major source of revenue for the General Fund, do not start coming in until the middle of November. Deficit spending in FY24-25 amounted to \$3,206,069 during this time frame.

20% Financial Policy	\$ 4,824,704
Asset Replacement	(1,691,670)
Deficit Spending	(3,206,069)
Total	\$ (73,035)

The change in the General Fund balance excludes one-time revenues and one-time transfers is broken down as follows:

	Biennial Budget	
	Proposed 1st Year	Proposed 2nd Year
Operating Revenue	\$ 19,287,514	\$ 20,153,259
Operating Expenses	19,278,457	20,032,829
	9,057	120,430
Less One-Time Expenses Net	(609,632)	(542,046)
Change in Fund Balance	\$ (600,575)	\$ (421,616)

Additional General Fund factors for our Sherwood Police Department:

- The Sherwood Police Department is continuing to work to address Career Cycle Planning as we take a proactive approach to address upcoming retirements. The challenge is that the lead time to replace experienced officers is significant. For lateral police hires it can take 4-5 months before they can be self-sufficient. A new police hire can take 16 months before they can be self-sufficient. As such, the city continues to bring in staff in advance of retirements to meet police staffing demands.
- The Sherwood Police Department is working with the Drug Enforcement Administration (DEA) and is starting to receive expected funding support. This money cannot be budgeted, but will be included in future and supplemental budgets as these funds are recognized. The money, once received, can only be used for materials and services in the police department.

Special Revenue, Capital, and Proprietary Funds

Grants Fund

This is a special revenue fund where the uses of revenues that are designated for a specific purpose are tracked. The proposed budget includes the Metro Community Enhancement Program (CEP).

Transient Lodging Tax (TLT) Fund

This is a special revenue fund where the uses of revenues that are designated for a specific purpose are tracked. The City implemented a local TLT effective April 1, 2019, and there is currently one operating hotel in Sherwood. As per state law the City will allocate 30% of these funds, which are unrestricted, with the remaining 70% be allocated to the Public Art Fund and Sherwood Arts Center.

Public Art Fund

This is a special revenue fund where the uses of revenues that are designated for a specific purpose are tracked. This fund was created to provide funding to encourage art within the community and promote tourism within the city.

Community Investment Fund

This is a special revenue fund where the uses of revenues that are designated for a specific purpose are tracked. This fund was created to help support various projects and needs the city has.

Economic Development and Promotion Fund

This is a special revenue fund where the uses of revenues that are designated for a specific purpose are tracked. This fund is to assist in promoting and sponsoring local events as well as assist with business retention, expansion, and recruitment.

Street Operations Fund

An increase of 2% in rates are in this proposed budget. The Street Operations Fund accounts for all maintenance projects related to City streets and sidewalks. The fund balance remains strong at this time and additional maintenance projects have been included in this proposed budget to keep the City's annual street maintenance program up to date.

Street Capital Fund

This fund is used to manage capital projects related to streets and to account for all transportation SDC's (System Development Charges) and TDT's (Transportation Development Taxes). Operating funds are also transferred into the Street Capital Fund from the Street Operations Fund to cover capital projects related to existing streets. The largest expense in this fund for BY2025-27 is improvements to Arrow Street, Edy Road and Washington Street. Other projects include Oregon Street design, construction, and traffic calming.

General Construction Fund

This fund is used to manage capital projects related to parks, the senior center, and other city facilities. The largest expense in this fund for BY2025-27 is for Murdock Park Improvements and Restroom. Other projects include hiring a consultant for the Lot Adjacent to the Art Center and Trail Network Expansion Improvements (Infill projects).

Water Fund

An increase of 2% in rates for residential and 3% for commercial are in this proposed budget. The city continues to work to ensure a reliable water source will be available even as our population continues to grow. Complete improvements which include improvements to the Water Treatment facility include increasing the ACTi flow rate from 6.2 mgd (million gallons per day) per basin, to 9.7 mgd per day, updating the Water Master Plan and water line replacement.

Sanitary and Stormwater Funds

An increase of 2% in rates for both the city sewer and stormwater rates are in this proposed budget, with the exception of city sewer commercial rates increasing by 5%. Sanitary projects include the Rock Creek Trunk Capacity Upgrade Phase II, Brookman Sanitary Trunkline construction and updating the Sanitary Sewer Master Plan. Stormwater included funds for facility improvements and updating the Stormwater Master Plan.

Broadband Fund

Sherwood Broadband continues its expansion and build out into residential areas with the Fiber to the Home project (FTTH). The fiber project will enable smart technologies today and into the future. Sherwood Broadband is under the direction and oversight of the Sherwood City Council. In addition to residential services, Sherwood Broadband also has projects lined up to extend service to businesses in Sherwood and the surrounding areas. Progress on the Sherwood Broadband Fiber to the Home (FTTH) project is moving along.

Personnel Services changes

The proposed budget funds a total workforce of 137 Full Time Equivalent (FTE) positions, a decrease of 8.0 budgeted FTE positions from the current workforce. For a complete list of staffing reductions, see page 118 of this document.

Within the proposed biennial budget, Total Personnel Services costs are \$34.3 million for the General Fund and \$49.9 million for all funds. In the first year of the biennium, Personnel Services in the General Fund will decrease by 0.4% over FY2024-25 and will increase by 5.3% in the second year of the biennium when compared to the first year. In the first year of the biennium, Personnel Services for all funds will increase by 5.1% over FY2024-25, and will increase by 5.3% in the second year of the biennium when compared to the first year.

Key personnel services cost increases in this proposed budget are as follows:

In the first year of the biennium, increases in salaries result from cost-of-living increases, as salaries will be increasing by 2.8% for all employees.

PERS rates are set for a biennium period and will be changing for this upcoming budget period. The City currently pays between 30.39% and 35.66% of salaries towards retirement for each eligible employee. This amount includes the employer and the employee share of PERS for all employees.

I want to express my sincere appreciation to the Sherwood City Council and Budget Committee for their guidance and continued service to our community. Your thoughtful input has strengthened this document and ensured alignment with our shared values. The budget is more than a financial plan - it tells the story of our city's priorities, challenges, and aspirations. The Committee's approval reflects strong community support and confidence in Sherwood's direction.

Special thanks to David Bodway and the Finance Department for their outstanding work coordinating this budget, and to the entire Senior Leadership Team and City staff for their dedication and professionalism. This budget is the result of a collaborative effort and more importantly, a shared dedication to serving the Sherwood community.

As Sherwood grows and evolves, this budget reaffirms our focus on sound financial management, operational efficiency, and delivering high-quality services that reflect the values of our community. We remain committed to responsibly stewarding the public resources entrusted to us.

Respectfully Submitted,

Craig Sheldon
Sherwood City Manager

Budget Committee Changes from Proposed to Approved Budget

- Split out performance measures by year versus combining the biennium together.
- Update presentation of beginning fund balance for each fund.
- Update the presentation of contingency for the funds that have this included.
- Update the presentation of reserved for future years for each fund.

History

The first wagon train arrived in Oregon in 1843. By 1853, Sherwood was being settled by farmers. They built their houses of the logs taken from the forest that once covered the area. They grew nearly everything they needed.

By 1870, many families had moved into the area that we now call Sherwood. In 1885, J.C. Smock granted the railroad the right-of-way through his property. In 1889, he and his wife, Mary Ellen Sebastian, planned and named the streets surrounding the railroad tracks. The town that emerged was known as Smockville, later renamed Sherwood, and incorporated in 1893.

Aerial photo of Sherwood, 1951

Original Smockville plot, 1889

In the early 1890's, Sherwood's main industry was a brickyard that supplied building bricks for most of Portland's growth. Most of Sherwood's commercial buildings were built at this time, including the nine-block area known as Old Town. The original home of J.C. Smock and Mary Ellen Sebastian still stands on Park Street, next to the Morback House, as a component of the Sherwood Heritage Center.

When the brickyard closed in 1895, the economy diversified to include a fruit and vegetable cannery, and a tannery, which supported Sherwood until 1971.

In 1911, Sherwood's City limits were one square mile and had a population of 350. As of December 15, 2024, the City is four and a half square miles and has a population of 20,781.

The City has expanded to its present size

Authority

The City of Sherwood has all powers granted to municipal corporations by State statutes, including the power to issue debt, levy taxes on real property within its boundaries, and to extend its corporate limits by annexation.

Services

The city provides a full range of services: public safety; library; construction and maintenance of streets, parks, and utility infrastructure; recreational activities and cultural events; current and long-range planning; development review; building permits; and construction inspection.

Sherwood owns and operates a water system and, jointly with the City of Wilsonville, a water treatment plant. The city also owns and operates the sanitary sewer and stormwater collection facilities with treatment provided by Clean Water Services, a regional services district.

Senior services are provided by the City in the Marjorie Stewart Senior Center. Fire protection is provided by TVF&R, a regional special district. Electricity, phone, and trash disposal are provided by private businesses. Sherwood is part of School District 88J.

Sherwood has an Urban Renewal Agency (URA), which undertakes projects in the designated Urban Renewal District. The URA is a distinct municipal corporation, and its budget is separate from the City of Sherwood.

Location

Sherwood’s City limits span four and a half square miles along State Highway 99W via Interstate 5. The rapidly growing city is part of the Willamette Valley, located in southwest Washington County. Sherwood is the home of the Tualatin River National Wildlife Refuge to the north, bordered by Yamhill County to the south, and the City of Tualatin to the east.

Economy

The City of Sherwood is highly suited to support the following industries: small to mid-size light manufacturing, specialty contractors and construction firms, creative services, amusement, recreation, sporting and lodging hospitality, educational facilities, and nursing and health care support services and facilities. Several new businesses, which fall into these categories, are in the process of being built, or are projected to come to Sherwood within the near future. Most employed residents currently commute outside of the city for work. The city has completed a concept plan for the Tonquin Employment Area to help remedy this imbalance.

The City's economy is linked with that of the Portland/Vancouver Metro Region, but is more insulated from economic downturns due to the high education and skill level of its population.

Despite growth, the city has managed to maintain a first-rate quality of life for its residents through a unique park and recreation system, a great school system, and a revived central business district in Old Town.

Age 60+	15.43%
Age 45-59	28.69%
Age 20-44	24.06%
Age 0-19	31.82%

Demographics

Over the last two decades, Sherwood has been one of the faster growing communities in the State. Between 2004 and 2024, the population has increased 46.4%. Sherwood has an average of 2.9 people per household, compared to 2.5 in Oregon as a whole. 49% of Sherwood’s population is female, compared to 50% in Oregon as a whole.

60% of the homes in Sherwood are less than 30 years old. Owner-occupied homes represent 73% of the community, as opposed to 59% of Oregon as a whole.

Mission Statement

Provide high quality services for all residents and businesses through strong relationships and innovation in a fiscally responsible manner.

Overarching Pillars, Goals & Deliverables

The Sherwood City Council has established six city-wide goals. These goals reflect the City's duty to maintain and improve the quality of life for all residents. Within these goals are actions outlining specific objectives City staff is charged to pursue. Many of the department goals further delineate and detail how these objectives are to be accomplished. The departmental goals are outlined in the Budget Detail.

Pillar 1: Economic Development

Goals:

- ◊ *Promote Strong Diverse Economic Growth Opportunities*
- ◊ *Support New Commercial and Industrial Development in Targeted Employment Areas*
- ◊ *Encourage Balancing of Sherwood's Tax Base*
- ◊ *Bring Jobs to Sherwood that Provide Wages that Allow People to Live and Work in Sherwood*
- ◊ *Continue Revitalization of Old Town by Exploring Tools that Encourage it's Distinctive Character*

Deliverables:	Deliverable Time Frame		
	2025/26	2026/27	2027/28
Promote Strong Diverse Economic Growth Opportunities			
<i>Improve Development Code to Promote Stronger Economic Development</i>	X	X	
<i>Explore economic development opportunities utilizing Sherwood's broadband service as an asset</i>	X	X	X
Support New Commercial and Industrial Development in Targeted Employment Areas			
<i>Maintain and facilitate collaborations with schools on programmatic and facility partnerships</i>	X	X	X
<i>Actively explore out-of-state and out-of country industry prospects</i>	X	X	X
<i>Explore financing options available to support necessary infrastructure for economic development</i>	X	X	X
<i>Pursue development in Sherwood west that includes a broad housing mix, and affordable housing options, hospitality and leisure options, and pedestrian friendly configuration.</i>	X	X	X
Encourage Balancing of Sherwood's Tax Base			
<i>Create Annexation Policies & Processes to Manage our Growth Goals as it Relates to Infrastructure, School Capacity, & Long-Term Community Needs</i>	X	X	X
<i>Target Metrics for Jobs/Housing Balance</i>	X		
Bring Jobs to Sherwood that Provide Wages that Allow People to Live and Work in Sherwood			
<i>Explore potential use of incentives (expedited review, financial tools/URA)</i>	X	X	
Continue Revitalization of Old Town by Exploring Tools that Encourage it's Distinctive Character			
<i>Complete Old Town Strategic Action Plan</i>	X	X	

Pillar 2: Infrastructure**Goals:**

- ◊ *Build Key Pedestrian Connectors (Including Between Sherwood East and West and Cedar Creek Pedestrian Wildlife Undercrossing)*
- ◊ *Support major intersection improvements*
- ◊ *Continue to invest in Sherwood Broadband Utility as an Important Infrastructure for Sherwood and Beyond*
- ◊ *Continue Steps to Develop a New Public Works Facility*
- ◊ *Undertake Important Facility and Infrastructure Master Plans*

Deliverables:	Deliverable Time Frame		
	2025/26	2026/27	2027/28
Build Key Pedestrian Connectors			
<i>Construct Pedestrian Bridge Over Highway 99</i>	X	X	
<i>Cedar Creek Pedestrian Wildlife Undercrossing</i>	X	X	
Support major intersection improvements			
<i>Complete design of Chapman/99w Intersection</i>			
Continue to invest in Sherwood Broadband Utility as an Important Infrastructure for Sherwood and Beyond			
<i>Complete Sherwood Broadband Fiber to the Home Build Out</i>	X	X	X
<i>Explore grant opportunities for broadband expansion/enhancement</i>	X	X	X
Continue Steps to Develop a New Public Works Facility			
<i>Identify Funding Sources</i>	X	X	X
<i>Design for Brownfield Clean Up Project</i>	X	X	X
Undertake Important Facility and Infrastructure Master Plans			
<i>Update 2014 Transportation Master Plan</i>	X	X	X
<i>Update 2015 Water Master Plan</i>	X	X	X
<i>Update 2016 Storm Master Plan</i>	X	X	X
<i>Update 2016 Sanitary/Sewer Master Plan</i>	X	X	X

Pillar 3: Livability & Workability**Goals:**

- ◇ *Support and Promote Community Wellbeing*
- ◇ *Work to Improve the Interconnectivity and Walkability of the Trail System*
- ◇ *Promote and Monitor Diverse Housing that will Accommodate a Wide Variety of Life Stages and Needs*
- ◇ *Evaluate opportunities to promote environmental initiatives that are achievable and impactful*
- ◇ *Invest in Community Enhancements, Parks and Public Spaces*

Deliverables:	Deliverable Time Frame		
	2025/26	2025/26	2026/27
Support and Promote Community Wellbeing			
<i>Improve Access to Mental Health Resources for the Community</i>	X	X	X
Work to Improve the Interconnectivity and Walkability of the Trail System			
<i>Explore trail connectivity improvements as part of TSP update</i>	X	X	
<i>Cedar Creek Trail/Ice Age Tonquin Trail</i>	X	X	X
<i>Analyze trail requirements for new development</i>	X	X	
Promote and Monitor Diverse Housing that will Accommodate a Wide Variety of Life Stages and Needs			
<i>Outreach to development community to discuss industry trends</i>	X	X	
<i>Discuss housing industry trends and put forth action items as needed</i>	X		
<i>Actively Participate, as Needed, with Legislature and Rule Making Committees</i>	X	X	X
Evaluate opportunities to promote environmental initiatives that are achievable and impactful			
<i>Practice environmental stewardship where financially feasible and economically viable</i>	X		
<i>Review benefits and topics of a Climate Action Plan (what would be the scope, and required research)</i>	X		
<i>Review benefits and offer perspectives for amending City tree code</i>	X	X	
Invest in Community Enhancements, Parks and Public Spaces			
<i>Identify and prioritize investments in public art</i>	X	X	X
<i>Review use of TLT funds</i>	X	X	
<i>Design Concepts for Single-Story Flex Building on Lot in Front of Arts Building</i>	X	X	
<i>Acquire Park Land in Sherwood West Area</i>	X	X	X

Pillar 4: Public Safety**Goals:**

- ◇ *Continue Police Career Cycle Planning*
- ◇ *Encourage Pedestrian, Bicycle and Driver Safety*
- ◇ *Enhance Overall Community Safety*

Deliverables:	Deliverable Time Frame		
	2025/26	2026/27	2027/28
Continue Police Career Cycle Planning			
<i>Programs to Recruit and Retain Officers</i>	X	X	X
Encourage Pedestrian, Bicycle and Driver Safety			
<i>Improve Safety on County Owned Roads in Sherwood and UGB</i>	X	X	X
<i>Evaluate further measures that can be taken to expand pedestrian safety, primarily in school zones</i>	X		
<i>Establish Traffic Safety Advisory Board</i>	X		
Enhance Overall Community Safety			
<i>Discuss need for increased law enforcement coverage-MHRT</i>	X	X	
<i>Proactively review law enforcement needs for planned Sherwood West area</i>	X	X	X
<i>Evaluate financial impact and opportunities from opioid settlement dollars</i>	X		

Pillar 5: Fiscal Responsibility**Goals:**

- ◇ *Pursue, Evaluate and Position the City to Maximize Available Revenue Sources*
- ◇ *Invest in Business Process Improvements to Improve Efficient Service Delivery to Sherwood Residents*
- ◇ *Be Transparent and Proactive in the Regular Reporting of the City's Fiscal Condition*
- ◇ *Explore opportunities for technological enhancements/innovation*

Deliverables:	Deliverable Time Frame		
	2025/26	2026/27	2027/28
Pursue, Evaluate and Position the City to Maximize Available Revenue Sources			
<i>Pursue Federal and State Grants</i>	X	X	X
<i>Explore current and prospective revenue opportunities</i>	X	X	X
Invest in Business Process Improvements to Improve Efficient Service Delivery to Sherwood Residents			
<i>Actively pursue best-practice and innovative efforts in financial management</i>	X	X	X
<i>Comprehensive review of strategies to mitigate inflationary pressures on capital and operating budgets</i>	X	X	X
<i>Explore process improvements, collaboration and efficiency opportunities</i>	X	X	X
<i>Identify Long Term Sustainable Funding Model for Library</i>	X	X	X
Be Transparent and Proactive in the Regular Reporting of the City's Fiscal Condition			
<i>Evaluate Open Gov to Ensure it's Effectiveness as a Tool for City's Website</i>	X		
Explore opportunities for technological enhancements/innovation			
<i>Utilize staff and expert outside assistance to evaluate opportunities for technological efficiencies</i>	X	X	X

Pillar 6: Citizen Engagement**Goals:**

- ◇ *Improve Effective Communication to Modernize City-Wide Interaction*
- ◇ *Apply an Organizational Lens of Diversity, Equity, Inclusion, and Accessibility When Offering Services and Amenities to our Citizens*
- ◇ *Engage Youth in Local Government*

Deliverables:	Deliverable Time Frame		
	2025/26	2026/27	2027/28
Improve Effective Communication and Citizen Engagement			
<i>Develop and Implement Branding Communication and Marketing Strategies</i>	X	X	X
<i>Update Citizen Academy Program</i>	X	X	X
Apply an Organizational Lens of Diversity, Equity, Inclusion, and Accessibility When Offering Services and Amenities to our Citizens			
<i>Develop standards, KPIs and benchmarks for inclusionary events and activities for all residents</i>	X	X	X
Engage Youth in Local Government			
<i>Youth Advisory Board</i>	X	X	X

Long-Range Operating Financial Plans

Rooted in the financial policies, long-range operating financial plans are developed to be conservative in nature to address the financial vulnerabilities of the city while bolstering the City's overarching goals and projects. The goal of these policies is to provide the financial stability needed to navigate through economic changes, adjust to changes in the service requirements of the community and respond to other changes as they affect the City's residents.

As part of the biennial budget process, the City of Sherwood maintains a minimum five-year revenue and expenditure forecast. This forecast is created using an objective, analytical process incorporating applicable projections from the State of Oregon's latest Economic Forecast and conservative assumptions where State developed data is not available. Revenues are estimated realistically and prudently using best practices as defined by the Government Finance Officers Association. The forecast is continuously changing as new information becomes available.

These financial plans are one step in pursuing a sustainable approach to the delivery of high-quality services to the community. By providing a framework of financial stability for the future, the focus can be on achieving the strategic goals of the City.

Future issues that may have financial impacts on the City:

- Cost to maintain services outpacing resources
- Biennial PERS rate increases
- Medical premium increases
- Funding for infrastructure
- Inflation
- Contract negotiations with the City's three bargaining units

A comprehensive list of current positions is included in the Appendix.

Budget Process

The biennial budget is one of the most important and informative documents City officials will use. In simple terms, the City's biennial budget is a financial plan for two fiscal years. The budget shows the estimated costs of expenditures (items or services the city plans to purchase in the coming fiscal years) and other budget requirements that must be planned for, but won't actually be spent. It also shows the resources that will be available to pay for those expenditures.

Budget Calendar

The budget authorizes the city to spend money and limits how much money can be spent. It also justifies the levy of property taxes. In order to levy taxes through the County assessor, cities must prepare a budget following Oregon local budget law.

The City's fiscal year begins July 1 and ends June 30.

Phase 1: Establish Priorities and Goals for the Next Fiscal Year

The strategic planning process begins as the City Manager and Senior Leadership Team collaborate to identify needs and assumptions for the short and long term and update objectives.

Work on the biennial budget begins in December, when forecasts for revenues and expenditures are updated.

In January the City Council typically has planning meetings to decide Council goals, priorities, and policies.

Phase 2: Prepare Proposed Biennial Budget for Budget Committee

Below is an outline of the steps required by the Oregon Department of Revenue for budget preparation and adoption.

Appoint Budget Officer:

Every local government is required to have a Budget Officer, either appointed by the governing body or designated in its charter.

Prepare a Proposed Budget:

The Budget Officer is responsible for presenting the proposed biennial budget presentation to the Budget Committee. The Capital Improvement Plan is also updated for the next five years.

Publish Public Notices:

Upon completion of the proposed biennial budget a “Notice of Budget Committee Meeting” is published in a newspaper and posted prominently on the City’s website.

Budget Committee Meets:

The budget message and proposed biennial budget document is presented to the Budget Committee for review. The public is given the opportunity to comment on the proposed biennial budget during the meeting.

Committee Approves the Budget:

When the Budget Committee is satisfied that the proposed biennial budget will meet the needs of the citizens of Sherwood, they will forward it to the City Council for adoption.

Phase 3: Adopt Biennial Budget and Certify Property Taxes**Publish Notice of Public Hearing:**

After the biennial budget is approved by the budget committee, a budget hearing must be held. The Budget Officer must publish a “Notice of Budget Hearing” in a newspaper or by mail or hand delivery.

Hold the Budget Hearing:

The budget hearing must be held by the governing body (City Council) on the date specified on the public notice and must allow for public testimony.

Adopt Budget, Make Appropriations, and Levy Taxes:

The governing body adopts the biennial budget prior to June 30th. The biennial budget and tax levy certification are then filed with the County Assessor.

Phase 4: Budget Changes After Adoption

Oregon budget law requires all City funds to be appropriated. Appropriations, the legal authority to spend, are by division in all funds.

Appropriations may be changed during the biennium, within the limitations imposed by budget law. City staff monitors actual events and recommends changes as needed. The City Council makes changes by resolution. Changes are categorized as appropriation transfers or supplemental budgets.

An appropriation transfer decreases an existing appropriation and increases another by the same amount. Supplemental budgets typically create new appropriations, funded by increased revenues. Supplemental budgets are used for occurrences or conditions which were not known at the time the budget was prepared. Directors and managers may amend their budgets for individual accounts without Council approval so long as appropriations at the legal level of control are not changed.

Basis of Budgeting

All of the funds are budgeted using the modified accrual basis of accounting in accordance with budgetary accounting practices. In modified accrual, revenues are recognized when they become measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the city considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. Long- term compensated absences, however, are recorded only when payment is due.

Basis of Auditing

The audit, as reported in the Comprehensive Annual Financial Report, accounts for the City's finances on the basis of generally accepted accounting principles (GAAP). GAAP is defined as conventions, rules, and procedures necessary to describe accepted accounting practice at a particular time. The modified accrual basis of accounting, a GAAP approved method, is also used in the audit for all funds except for the Proprietary Fund types. The audit uses the full-accrual method of accounting for the Proprietary Funds. The Comprehensive Annual Financial Report shows all of the City's funds on both a budgetary and GAAP basis for comparison.

Budgetary Basis of Accounting

There is no appreciable difference in the basis of accounting used for financial statements and the accounting method used for budgeting. The budgetary basis of accounting for budgeting purposes is also modified accrual.

The City of Sherwood uses a modified accrual basis of accounting for budgeting purposes. This means revenues are recognized when they become measurable and available.

Fund Structure and Description

The City of Sherwood uses various funds to account for its revenue and expenditures. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. Also, funds are categorized by fund type as defined by generally accepted accounting principles (GAAP) and Oregon Budget Law.

The revenues in each fund may be spent only for the purpose specified by the fund.

General

General Fund – accounts for the financial operations of the City that are not accounted for in any other fund. Principal sources of revenue are property taxes, franchise fees, court fines, and state and county shared revenue. Primary expenditures are for public safety, general government, parks and recreation, and library services.

Special Revenue

Grants Fund – accounts for Federal, State, and Local grants. Funds received must be used in accordance with the grant agreement(s). For the current biennium, the only grant funded program accounted for in this fund is the Community Enhancement Program (CEP).

Transient Lodging Tax (TLT) Fund – accounts for Transient Lodging Taxes received from short term lodging establishments like hotels or bed and breakfasts. This fund will begin to support the Center for the Arts.

Public Art Fund – accounts for funding provided by the General Fund. This fund is newly established and was created to provide funding to encourage art within the community and promote tourism within the city.

Community Investment Fund – accounts for a one-time transfer of reserves from the General Fund. This fund is newly established and was created to help support various projects and needs the city has.

Economic Development and Promotion Fund – accounts for funding provided by the General Fund. This fund is newly established and will begin to assist in promoting and sponsoring local events as well as assist with business retention, expansion, and recruitment.

Street Operations Fund – accounts for the repair and maintenance of City streets. Principal sources of revenue are street utility fees, gas taxes received from Washington County, and vehicle taxes from the Oregon Department of Transportation.

Debt Service

Debt Service Fund – accounts for the payment of principal and interest on general obligation bonds. Resources are provided by property taxes.

Capital Projects

General Construction Fund – accounts for the acquisition and construction of capital assets not related to the Proprietary Funds. This includes City buildings, parks and trails, sports fields, and recreational facilities.

Street Capital Fund – accounts for funds received from system development charges (SDCs) and are restricted for construction and major improvements of City streets.

Business-Type

Water Fund – accounts for the operation and maintenance of water facilities and for major expansions of the water system. Primary sources of revenue consist of charges for use of the water system and SDCs charged on new construction.

Sanitary Fund – accounts for the operation and maintenance of the sewer system and for major expansions of the sewer system. Primary sources of revenue consist of charges for sewer services, and SDCs charged on new construction.

Stormwater Fund – accounts for storm drain services and for the expansion of the storm water system. Primary sources of revenue consist of charges for services, and SDCs charged on new construction.

Broadband Fund – accounts for communication services provided to customers through the Sherwood Broadband Utility.

Purpose:					
1	Transfer for recently created city funds				
2	Transfer to support Center for the Arts				
3	Transfer for administrative costs incurred				
4	Transfer for capital Projects				

Beginning and Ending Fund Balance

Beginning fund balance is equal to the prior year's ending fund balance.

Ending fund balance is the difference between total estimated sources and total estimated uses. Ending fund balance is budgeted in two categories:

1. *Operating Contingency* is budgeted at 5%-10% of operational revenue in the operating funds. Contingency funds can be spent once authorized by a supplemental budget or transfer resolution.
2. *Reserved for future years* are total sources, less total expenses and contingency. Reserved for future years funds can only be spent if authorized by a supplemental budget.

Utility Fees

The city charges utility fees for the water, sanitary, storm, and street systems. The fees are charged to customers based on usage of the systems. The rates collected for each fund can only be used to support that individual fund's operational and capital needs. Annual revenue projections are based on historical average increases, while taking into account any planned rate increases.

Property taxes

There are three types of property tax levies in Oregon. The permanent rate levy funds general City operations. The debt service levy is used for principal and interest payments on general obligation bonds approved by the voters. Local option levies are voter-approved, time-limited levies for specified purposes.

The Washington County Department of Assessment and Taxation determines assessed values and collects taxes. Property is assessed January 1 for the fiscal year beginning July 1. Taxes are due beginning November 15, and discounts are allowed for taxes paid in full by November 15.

Assessed Value

Each local government's tax rate was determined by the state in 1997. Sherwood's permanent rate is \$3.2975 per \$1,000 of assessed value. No action of the city can increase the permanent tax rate.

Ballot Measure 50, implemented in the 1997-98 tax year, limits assessed value to the lower of Maximum Assessed Value (MAV) or Real Market Value (RMV). Maximum Assessed Value increases by 3% annually.

There are exceptions to the 3% annual increase. Maximum Assessed Value may increase by more than 3% if:

- There is new construction or improvements
- The property is partitioned or subdivided
- Rezoning occurs and the property is used consistent with rezoning

Limits and Compression

The total tax on a given piece of property is limited as follows:

- General Govt: \$10 per \$1,000 of RMV
- Schools: \$5 per \$1,000 of RMV
- Unlimited debt service: levies to pay bonds for capital construction projects are not subject to limitation

If the total tax bill exceeds the limits, taxes are reduced in a process called compression.

Effect of the 2021 Sherwood Urban Renewal Agency

The Urban Renewal district is a geographic area within the City of Sherwood, defined in the Urban Renewal Plan. The purpose of the district is to eliminate blight and create an environment in which the private sector may develop uses consistent with the goals of the Urban Renewal Plan. The Agency borrows money to fund infrastructure and other improvements, receive property taxes calculated on the increased assessed values, and uses the taxes to pay debt service on the borrowings.

The current agency opened in FY2020-21. The assessed value in the district was determined at the start date of the agency and became the frozen base. In subsequent years, the incremental assessed value is the difference between the assessed value in the district and the frozen base. Each year, the URA will receive property tax attributable to the incremental assessed value; the City's General Fund receives property tax attributable to the City's assessed value less the URAs incremental value.

Property taxes for the URA are a portion of the permanent rate levy for the City and each overlapping tax district, not an addition to the tax base.

Each taxing jurisdiction has a tax rate that is applied to a parcel's assessed value to determine the amount of property taxes owed by that parcel. The County Assessor lowers these other taxing jurisdiction's tax rates based upon the Urban Renewal District's incremental assessed value and the taxing jurisdiction's overall assessed value and mathematically derives a tax rate to be applied to each parcel for Urban Renewal.

The Agency will cease to exist after it has incurred and repaid the maximum indebtedness specified in the plan: For the FY2020-21 URA plan \$166,600,000.

Total Tax Assessed Values in Sherwood
(shown in \$millions)

Average Assessed Property Tax on
a \$500,000 Home in Sherwood

Local Governments include the City of Sherwood, Washington County, Sherwood 2021 Urban Renewal Agency, Tualatin Valley Fire and Rescue, Metro, Port of Portland and Tualatin Soil and Water Conservation District. School Districts include Sherwood School District, Portland Community College and ESD – NW Regional.

Property Tax Allocation

Property taxes represent approximately 47% of General Fund revenue.

Property Tax Revenue

Infrastructure Development Fees

These are fees for private development plan review and inspection and system development charges (SDCs) on new construction. SDCs are restricted for Capital Improvement Projects that support capacity for growth. Development fee revenue is projected based on the known development activity, as well as projections of projects that are likely to be submitted.

Franchise Fees/Privilege Taxes

Fees are collected from utilities as compensation for use of the City's rights of way. These fees are based on utility revenue, so they generally increase with population growth. Franchise fee revenue is estimated based on prior year actuals plus an inflationary increase.

Fines and Forfeitures

These fines are for traffic infractions, municipal code violations, and library fines. Revenue estimates are based on the prior year actuals plus anticipated increases due to new programs.

Intergovernmental Revenue

These include fees and taxes that are collected by other government agencies and passed through to the city as well as fees collected from other governments for the services the city provides to them.

- State shared revenue, liquor and cigarette tax and vehicle fees revenue estimates are provided by the State
- County support to the library as part of the Washington County Cooperative Library Service Revenue estimates are provided by the County
- County distribution of gas tax
- Sherwood School District for shared services Revenue based on IGA
- Clean Water Services for shared services Revenue based on IGA
- Federal, State, and Local grants

Charges for services

- Building, Planning, and Engineering permits, revenue estimates are based on projected development activity
- Recreation fees, revenue estimates are based on the number of registered leagues
- Advertising and sponsor fees
- Business and liquor licenses, revenue estimates are based on prior year actuals and adjusted for programmatic changes

Transfers and Other Revenue

- Transfers in from other funds
- Interest earned on bank accounts
- Sale of fixed assets
- Proceeds from the issuance of debt

City-Wide Expenses by Category

Total Uses	\$109,514,661	\$110,935,486	\$ 114,016,280	\$ 135,763,035	\$ 131,079,177	\$184,528,469

Citywide operating costs are budgeted to increase 7.0% in the first year of the biennium budget when compared to FY2024-25 and remain flat in the second year of the biennium budget when compared to the first year. This is in part due to staffing reductions and less capital purchases. This will result in a decrease in cost per capita for our citizens from prior years. Operating costs are made up of all City expenditures minus capital purchases made outside the General Fund.

Operating Expenditures per Capita

All Expenses for all Funds as a Percent

Revenue & Expenditures Overview of Major Categories of Expense

Personal Services

Full-Time Equivalent (FTE)

The following compares City staffing to population growth.

Wages

The budget includes a 2.8% cost of living increase as of July 1 for all employees in the first year of the biennium.

Benefits

The major benefits are health insurance and PERS. Employee insurance costs are budgeted to increase an average of 9% for employees on the Regence plan and 13% for employees on the Kaiser plan in the first year of the biennium. Overall benefit costs increased, mainly due to increases in insurance rates.

The average cost of benefits per employee is shown in the following graph:

The most recently adopted PERS rates (as a percent of salary) for the City of Sherwood and the prior two fiscal years are:

	FY23-24	FY24-25	BY 25-27
Tier 1 & 2	27.52	27.52	29.39
OPSRP	21.96	21.96	24.39
OPSRP Police	26.75	26.75	29.66

*At the time of publication, the current percentage breakdown of total employees in each PERS Tier listed above is as follows:

Tier 1 & 2:	15.70%
OPSRP:	71.51%
OPSRP Police:	12.79%

Revenue & Expenditures Overview of Major Categories of Expense

Materials and Services

Materials and services include costs for:

- Utilities
- Training
- Professional services
- Insurance
- Software maintenance
- Uniforms
- Office supplies and book stock

Overall materials and services expenses are proposed to remain similar to prior years in both years of the biennial budget. The comparison of total materials and services expenses by fund is shown below.

Revenue & Expenditures Overview of Major Categories of Expense

Capital Outlay

Capital outlay are expenditures related to vehicles and equipment as well as to capital projects. This section will cover the capital outlay for vehicles and equipment only. The capital improvement plan can be found on page 51. The City's Capital Outlay threshold is any single piece of equipment that costs over \$5,000 and expected to last more than one year. The significant BY2025-27 capital outlay budgeted expenditures for vehicles and equipment are:

Program	Purchase	Cost
FY25-26 Fleet	F450 with Service Body and Crane	\$130,000
FY25-26 Fleet	Police Evidence Van	33,000
FY25-26 Fleet	PIU Build from 2025	17,500
FY25-26 Fleet	Police Patrol Vehicle	76,000
FY25-26 Fleet	Police Convert Vehicle to Patrol	22,500
FY25-26 IT	SAN and Server Replacement	200,000
FY25-26 IT	PEG Server Replacement	125,000
FY25-26 IT	Security Software	50,000
Total Capital Outlay 1st Year		\$654,000

FY26-27 Fleet	Replace 10-25 Truck	\$75,000
FY26-27 Fleet	Police Cruiser	94,000
FY26-27 Fleet	Toro Xero Turn Mower	86,000
FY26-27 IT	Security Software	50,000
FY26-27 Public Works	WACCA Radios	29,500
Total Capital Outlay 2nd Year		\$334,500

Description of Long-Term Debt

The City's debt is separated into two categories: governmental activities and business-type activities.

Governmental activities include two long term loans on behalf of 2021 URA capital projects. There are intergovernmental agreements for the URA to make the debt service payments on the existing URA loans used to construct capital assets.

Business-type activities include three loans for water projects to provide a long-term water solution for the City and two long term loans for the expansion of Sherwood Broadband services within the City.

Sherwood's rating for both General Obligation Debt and Full Faith and Credit obligations is currently very good at Aa2. In February 2021, Moody's upgraded the City's Full Faith and Credit obligations from Aa3 to Aa2.

General Obligation Bond Limitations

Total assessed value on January 1, 2025:	<u>\$ 2,611,441,330</u>
Debt limitation: 3% of total assessed value	78,343,240
Debt outstanding at June 30, 2025:	
General obligation bonds outstanding	-
Less amount available for repayment of GO bonds	-
Net debt outstanding that is subject to limitation	-
Amount of GO bonds that could be issued	<u>\$ 78,343,240</u>

Capital Improvement Plan

The City of Sherwood's Capital Improvement Plan (CIP) establishes, prioritizes, and plans funding for projects to improve existing and develop new infrastructure and facilities. This plan promotes efficient use of the City's limited financial resources, reduces costs, and assists in the coordination of public and private development.

The City's CIP is a twenty-year roadmap which identifies the major expenditures beyond routine annual operating expenses in all categories. The CIP is used to document anticipated capital projects and includes projects in which a need has been identified, but which may not have funding sources determined.

The CIP is a long-range planning document that is reviewed and updated annually to maintain flexibility within the City's biennial budget cycle. This annual review allows the city to respond to emerging infrastructure needs, leverage new funding opportunities, and adjust to changing community priorities. The CIP documents anticipated capital projects and include both funded projects and those for which a need has been identified but funding has not yet been secured.

The CIP Process

The CIP is the result of an ongoing infrastructure planning process. Planning for the five-year CIP period provides flexibility to take advantage of opportunities for capital investments. The BY2025-27 to BY2029-31 CIP is developed through agreement with adopted policies and master plans, the public, professional staff, and elected and appointed City officials. The draft CIP is reviewed by City staff and then presented to the City Council. The projects listed in BY2025-27 become the basis for preparation of the City's budget for that biennium.

The overall goal of the CIP is to develop recommendations that: preserve the past, by investing in the continued maintenance of City assets and infrastructure; protect the present with improvements to City facilities and infrastructure; and plan for future development for the needs as the city grows and evolves. Projects generally fit within the three primary categories:

- Utilities – projects involving water, storm, and sewer infrastructure.
- Transportation – projects affecting streets, bike lanes, pedestrian crossings, paths, trails, and rail.
- Parks and Recreation – projects affecting parks and open spaces, including parks facilities.

Capital Improvement Policies

This working CIP document is designed to forecast capital needs for the next five fiscal years and the plan will be produced every year. Looking at the City's capital projects in terms of revenue over the next five years also allows the City to be more strategic in matching large capital projects with competitive grant opportunities that require significant advance planning and coordination to accomplish. Examples are projects with federal funding, or those projects so large they are likely to need financing.

CIP Project Lists and Details

On the following pages is a summary of projects that are sorted by fiscal year and presented by category. Projects in this five-year CIP total approximately \$163.9 million. Roughly \$14.2 million of the projects are utility projects, \$78.3 million are parks and ground projects, \$71.4 million in transportation projects and \$33.6 million in general construction projects have been identified. Detailed project sheets are grouped by category and sorted by fiscal year for all funded projects included in the CIP. Project sheets are designed to explain the need for the project, type of project, the criteria met, funding sources, and provide cost information including potential on-going costs.

Funding Overview

During the preparation of the CIP document, public input from the budget workshops and staff recommendations are taken into consideration to assign a priority level to all listed projects. Generally, prioritized projects and those with a designated or committed funding source will be initiated. Lower priority projects will generally be considered if additional funding comes available.

Many transportation and utility projects are funded by transfers from the operating budget to the capital fund for the current year. The city utilizes development taxes, intergovernmental funds, road taxes, and can also refinance debt and issue new borrowing to fund capital projects.

Funding for the current biennium budget has been identified as follows: Utility projects are expected to be \$9.3 million charges for services and \$1.1 million development taxes. Transportation projects are expected to be funded through \$1.7 million charges for services and \$5.2 million development taxes. Parks and grounds projects are expected to be funded through \$1.5 million development taxes.

Operating Budget Impact

The CIP document identifies the costs required to construct City facilities and infrastructure. However, the completion of these projects creates effects in continuing costs that must be absorbed in the operating budget. These costs include new personnel, maintenance, and various utilities need. As the City develops the CIP document, attempts are made to identify and plan for operating costs resulting from the projects undertaken. The city is not anticipating any significant operational cost savings due to the Capital Improvement Plan (CIP).

Debt Service & CIP

Street Capital Projects

The Street Capital Fund relies on County traffic improvement fees and City system development charges, as well as transfers in from Street Operations. Planned projects for BY2025-27 are:

Sunset-Timbrel Crosswalk Enhancements: This project will consist of realigning existing crosswalks, updating ADA ramps and adding Pedestrian Hybrid Beacon.

Traffic Calming: This will be for projects identified by the Traffic Safety Committee and recommended to City Council.

Oregon Street Design & Construction: This project includes upgrading Oregon Street from railroad crossing east to Murdock Road roundabout to include a three-lane collector road with bike lanes, sidewalks and planter strips.

Arrow Street Improvements: This project will extend Arrow Street to Langer Farms Parkway. This is a joint project with the County.

Sunset Overlay (Main-Cinnamon Hills): This project consists of grinding off the existing roadway surface and overlay a new surface and upgrading curb ramp improvements within the project area to current ADA Standards.

Edy/Elwert Intersection Improvements: The project will determine the alignment of Elwert and Edy Roadway intersection.

Washington Reconstruction (Tualatin-Division): This is primarily a maintenance project that will include both sewer improvements, storm improvements and road maintenance.

Transportation System Plan (TSP) Update: Update current Transportation System Plan.

Edy Road Improvements (Borchers-Copper Terr.): This project is to evaluate the addition of sidewalks, bicycle lanes, pedestrian crossings, street lighting and center turn lanes as needed.

Meinecke (Cedarbrook-99W): This project consists of grinding off the existing roadway surface and overlay a new surface and upgrading curb ramp improvements within the project area to current ADA Standards.

Borchers Overlay (Daffodil-Roy Rogers): This project consists of grinding off the existing roadway surface and overlay a new surface and upgrading curb ramp improvements within the project area to current ADA Standards.

Willamette Street Reconstruction (Orcutt-Pine): This project consists of grinding off the existing roadway surface and overlay a new surface and upgrading curb ramp improvements within the project area to current ADA Standards.

Street Capital Projects (Continued)

Borchers Overlay (Roy Rogers-Sydney): This project consists of grinding off the existing roadway surface and overlay a new surface and upgrading curb ramp improvements within the project area to current ADA Standards.

Sanitary Capital Projects

The Sanitary Fund collects SDCs for sanitary infrastructure expansion. Planned projects for BY2025-27 are:

Sanitary Master Plan Update with SDC's and Fee Refresh: Update current Master Plan that was completed in 2016.

Brookman Sanitary Trunkline Construction: This project extends a public sanitary conveyance system mainline through the Brookman Area annexed property. This mainline extension will provide service for the future growth of the area.

Rock Creek Upsizing Phase 2: This project includes up-sizing approximately 1,910 linear feet of 18" diameter sanitary trunk line to 24" diameter.

Stormwater Capital Projects

The Stormwater Fund collects SDCs for storm infrastructure expansion and reserves a portion of user charges for capital construction. Planned projects for BY2025-27 are:

Annual Storm Water Quality Facility Refurbishments: Water Quality Facility Rehabilitation is needed to remove sediments from the facility to ensure continued operation of existing structural facilities that protect surface waters from adverse impacts of stormwater runoff. These ponds are responsible for holding water, removing pollutants and providing flood prevention and water quality treatment.

Annual City Wide Catch Basin Remediation program: This program consists of replacement of un-sumped catch basins located within the City's storm drainage conveyance system, in compliance with Clean Water Service's MS4 Permit.

Cedar Creek Trail Grade Separate Crossing of Hwy 99: This project is dependent upon grant funding. If funding becomes available, the money will complete the Preliminary Design phase for a pedestrian crossing under SW Pacific Hwy at Cedar Creek including determination of the type of bridge or culvert structure that will span the creek & highway.

Woodhaven Swales: Water Quality Facility Rehabilitation is needed to remove sediments from the facility to ensure continued operation of existing structural facilities that protect surface waters from adverse impacts of stormwater runoff. These ponds are responsible for holding water, removing pollutants and providing flood prevention and water quality treatment.

Stormwater Capital Projects (Continued)

Second & Park Street Storm Water Facility: This project consists of reviewing the facility and determining corrective measures to make the facility fully operable.

Cedar Creek Trail Grade Separate Crossing of Hwy 99: This project consists of updating the Cedar Creek floodplain area.

Gleneagle Drive Regional Storm New Facility: This project will construct a regional storm facility behind the Sherwood Senior Center, east of SW Gleneagle Drive to treat the existing developed upstream basin and prevent erosion of the downstream open channels & ditches that flow into Cedar Creek.

Storm Master Plan Update with SDC's and Fee Refresh: Update current Master Plan that was last completed in 2016.

Water Capital Projects

The Water Fund collects SDCs and user charges for water infrastructure expansion and capital construction. Planned projects for BY2025-27 are:

Routine Waterline Replacement Program: This project includes replacement of pipes based on a 100-year life cycle adopting the following prioritization: 1. Known pipe capacity and condition issues 2. Pipe material – based on City record of pipe material and era of manufacture; highest priorities are galvanized pipe and post-1950 cast iron 3. Pipe age – coordinate replacement of pipes 50 years or older with other City utilities and transportation projects.

T/S County Conflict Improvements: This project consists of relocation of water services, hydrants, valves, due to the County Road widening project.

TVWD capacity improvements 6.2 to 9.7 mgd: This project consists of the City's contribution to TVWD capacity improvements at the water treatment plant.

WRWTP Water Treatment Plant 20.0 mgd Expansion: The existing treatment plant was upgraded for 20 mgd (millions of gallons per day) capacity and completed in 2024. This project will be for the installation of a transformer which has had a long lead time due to supply chain issues.

Water Treatment Plant-HAVC: This project will add seismic resilience, roof and HAVC improvements to finish water pump station, seismic improvement to wash water equalization basin an ozone and chemical system pipe supports.

Water Capital Projects (Continued)

Water Master Plan Update with SDC's and Fee Refresh: Update current Master Plan that was last completed in 2015.

Sunset Reservoir #1: This project consists of seismic upgrade from wall to roof and programming the actuated valve.

Kruger Reservoir: This project consists of a seismic upgrade of break-away hatches and evaluating roof slab for potential slosh waves.

Sunset Reservoir #2: This project consists of a seismic upgrade by replacing reservoir hatch doors with break-way hatch doors to allow slosh waves to release to the atmosphere.

General Construction Projects

The General Construction Fund collects system development charges for park infrastructure expansion. This fund also accounts for park and trail projects that are funded from multiple combined sources. Planned projects for BY2025-27 are:

Cedar Creek Trail Grade Separate Crossing of Hwy 99: This project is dependent upon grant funding. If funding becomes available, the money will complete the Preliminary Design phase for a pedestrian crossing under SW Pacific Hwy at Cedar Creek including determination of the type of bridge or culvert structure that will span the creek & highway.

Trail Network Expansion Improvements: This project will conduct feasibility work which includes preliminary solutions to design issues and updated cost estimates on a portion of trail for the future undercrossing of the Cedar Creek Trail (Highway 99 to SW. Elwert Road).

Adjacent Lot to Art Center: This project will evaluate development options for the gravel lot northwest of the Sherwood Center for the Arts, next to the railroad tracks, and complete design plans to further develop this gravel area.

Murdock Park Improvements & Restroom: This project will consist of design and construction documents so this project can become shovel ready for future grant opportunities.

*Beginning July 1, 2023, budgeting for the Economic Development Manger will be included under Administration within the City Managers budget.

City Council

The seven-member City Council is composed of an elected Mayor and six elected Councilors. The Council members serve a four-year term and the Mayor serves for a two-year term. The City Council is the legislative branch of our local government, which is responsible for setting policies. This is accomplished through the adoption of ordinances and resolutions. The City Council meets in regular monthly meetings and occasional executive sessions. In addition, City Council work sessions are held to study upcoming issues. The City Council also serves as the City's Urban Renewal District Board, which similar to the City Council, holds regular business meetings.

FY 2024-25 Highlights

- Held joint work session with Board and Commission Chairs in preparation for Annual Goal Setting session
- Updated Annual Goals and Objectives and Deliverables
- Attended League of Oregon Cities training
- Three City Councilors attended the National League of Cities conference in Washington DC
- Mayor and City Manager lobbied for federal funding in Washington DC
- Five students attended the youth portion of the National League of Cities conference in Washington DC
- Application approved by Metro to expand the Urban Growth Boundary
- Conducted State of the City event with over 180 people in attendance
- Adopted legislation to form the Youth Advisory Board and the Traffic Safety Board
- Council served as liaisons to a variety of City Boards and Commissions and partner agencies

Performance Measures

Strategy	Measures	FY23-24 Actual	FY24-25 Projected	FY25-26 Budget	FY26-27 Budget
Increase transparency	Council meetings	32	28	28	28

	Regional Meetings: Regional Mayor's Meetings (12) Wa. Co. Coordinating Committee (12) Willamette River Water Coalition (4) Regional Water Providers Consortium (4) Note: Meetings held monthly or quarterly	32	32	32	32

City Recorder

The City Recorder is the custodian of records and responsible for the management of City records and provides administrative support to the City Council and URA Board. The City Recorder also serves as the City's Elections official.

FY 2024-25 Highlights

- Completed audit and review of Human Resources Dept. Archived Records
- Near completion of review, prepare to purge - Human Resources Dept. Archived Records, Engineering Dept. Records (in Document Locator System), Public Works Dept. Records (in Document Locator System), and Finance Dept. Archived Records
- Digitization of historical city photos, historical documents (plat, deeds, maps, etc.) migrated to Content Manager, publicly available via WebDrawer
- Continue citywide implementation and migration of records into Content Manager

BY 2025-27 Goals

- Continue to audit and digitize Legal Dept. Records
- Audit Human Resources Dept. Records Management processes, recommend best practices
- Identify and prepare active personnel records for migration into Content Manager
- Audit Engineering Dept. Records Management processes, recommend best practices
- Identify and prepare Engineering Dept. records for migration into Content Manager
- Audit Public Works Dept. Records Management processes, recommend best practices
- Identify and prepare Public Works Dept. records for migration into Content Manager

Performance Measures

Strategy	Measures	FY23-24	FY24-25	FY25-26	FY26-27
		Actual	Projected	Budget	Budget
Adhere to public records law and respond to public records requests	Public records requests (approx.)	80	85	85	85
	Responded within 5 business days (approx.)	65	65	65	65

Coordinate Accurate and Transparent Elections	Process Election fillings, measures, coordinate special and general elections	0	5	0	4

City Manager

The City Manager's office provides leadership, coordination and management for the City and is responsible for establishing general administrative policies that govern the operations of the City. The City Manager, with input from the Senior Management team, also supports and assists the Mayor and City Councilors in their roles as policy makers by providing accurate and timely information and appropriate policy alternatives.

FY 2024-25 Highlights

- Updated Council Pillars, Goals and Deliverables.
- Restructured to fund the Assistant City Manager position.
- Successfully negotiated Sergeant's contract.
- Updated out of date employee policies and procedures.
- Completed Organizational Assessment

BY 2025-27 Goals

- Work to complete the deliverables on the City Council Goals. (Economic Development, Citizens Engagement, Livability Workability, Financial Responsibility, Infrastructure, Public Safety)
- Continue work with lobbyist for outside funding. (Economic Development, Citizens Engagement, Livability Workability, Financial Responsibility, Infrastructure, Public Safety)
- Increase public engagement through multiple platforms. (Citizens Engagement)
- Continue to improve communication with Staff, Council and Board and Commission members. (Livability Workability / Citizens Engagement)
- Reinstate the Youth Advisory Board and reintroduce Citizen's University (Citizen Engagement)
- Implement a Communication Plan. (Citizen Engagement)
- Evaluate opportunities for Branding. (Citizen Engagement)

Performance Measures

Strategy	Measures	FY23-24	FY24-25	FY25-26	FY26-27
		Actual	Projected	Budget	Budget
Increase communication with the public	Newsletter Frequency	Every Two Months	Every Two Months	Every Two Months	Every Two Months
	Number of Facebook Followers	4,000	5,200	5,500	5,700
	Number of Twitter/X Followers	1,000	1,100	1,300	1,500
Promote Employee Satisfaction and Engagement	Employee Satisfaction Score (Bamboo survey)	11	43	45	47
	Internal email communication/engagement	38	44	45	45

City Attorney & Risk Management

The Office of the City Attorney is the in-house legal department for the City. The Office of the City Attorney consists of the City Attorney, the Deputy City Attorney and the Law Clerk. It provides a broad range of legal services to City officials, management, and staff, including: researching legal questions and providing legal advice; preparing and reviewing contracts, ordinances, resolutions, and other legal documents; conducting negotiations; representing the City in administrative proceedings and court; prosecuting municipal offenses; and analyzing public records requests and exemptions. Areas of law most frequently encountered include employment law, tort liability, constitutional law, elections law, public contracting, public meetings, public records, real property, and land use. The Office also retains and manages outside legal counsel for certain projects. Additionally, as part of its risk management function, the Office is responsible for processing claims for property, auto, equipment, and liability insurance and performing other insurance-related services.

FY 2024-25 Highlights

- Prepared, reviewed, and otherwise assisted with numerous legislative changes
- Actively engaged in City litigation, including appraising Council of details related to potential resolutions.
- Actively engaged with outside legal counsel to be able to better advise staff when matters could be kept in-house.

BY 2025-27 Goals

- Provide contract and procurement training (Infrastructure)
- Facilitate regular public meetings law training by the Oregon Government Ethics Commission (Infrastructure)
- Assist with successful completion of Council priority projects. (Infrastructure)
- Hire a law clerk to assist with legal research, review archived materials for retention evaluation, and prosecution of represented traffic trials. (Fiscal Responsibility)
- Obtain additional training on land use and development to attempt to reduce the reliance on outside counsel (Fiscal Responsibility)
- Improve skills to reduce the reliance on outside counsel (Fiscal Responsibility)

Performance Measures

Strategy	Measures	FY23-24 Actual	FY24-25 Projected	FY25-26 Budget	FY26-27 Budget
Keep Council Informed	Frequency of Tort Claim Updates	Quarterly	Quarterly	Quarterly	Quarterly
Law Clerk Program	Duration of Student Position	None	Full Year	Part-time	Full Year
Maintain and Update Municipal Code	Ordinances Enacted	N/A	13	13	15

Human Resources

The vision for the Human Resources department is to provide leadership in Strategic Human Resources Management that is responsive to the goals and needs of the City and its workforce. This department oversees all recruitment and selection, leadership development, legal compliance with labor laws, classification and compensation, training and development, benefits education and administration, Workers Comp claims, prepares and updates the Employee Handbook and develops, prepares and delivers policies & procedures for the City. In addition, HR negotiates, interprets and applies the City's two union contracts and leads employee relations and champions employee wellbeing. The mission of HR is to address the diverse human resources needs of our customers through effective consultation, guidance and training.

FY 2024-25 Highlights

- Recruitment and Onboarding of 37 Employees
- Hosted first Annual Health and Benefits Fair for all employees
- AFSCME Contract negotiated and implemented
- New Employee Handbook implemented
- Full implementation of Bamboo HRIS
- Discrimination and Harassment training for all employees

BY 2025-27 Goals

- Complete full review of all HR Files and ensure compliance with Record Retention rules
- Streamline processes using HRIS (Fiscal Responsibility)
- Review fit for purpose status of current suppliers of HR Services (Fiscal Responsibility)
- Review use of NeoGov as the primary Recruitment/Applicant Tracking System (Fiscal Responsibility)

Performance Measures

Strategy	Measures	FY23-24 Actual	FY24-25 Projected	FY25-26 Budget	FY26-27 Budget
Recruit and Retain a Competitive and Diverse Workforce	Applications Received	904	1012	900	900
	Total Annual Turnover Rate - excluding Seasonals and Temps	14.5	15.00%	15%	15%
Develop and Deliver Annual Wellness Program	Beyond well Engaged Members (Jan - Dec)	90	106	110	110
	Rewards Earned (Jan - Dec)	\$8,080	\$10,601	\$11,000	\$11,200

Information Technologies

The Information Technologies department provides technical support, troubleshooting and maintenance of computer hardware and software used by the City. The department operates and maintains the network, servers, phone systems, Sherwood Broadband, and Sherwood public access channel. This department also manages software licensing, assists departments in improving service through effective use of technology and provides training to staff.

FY 2024-25 Highlights

- Redesigned remote access capabilities to improve security and user experience.
- Supported the transition to a new e-permitting system, the migration to an updated version of ERP software and the red light camera system to a new software vendor.
- Continue infrastructure consolidation efforts to reduce the systems maintained or supported
- Moved the IT Helpdesk to new platform for improved service and management
- Implemented new City website and mobile app that includes new services and capabilities.

BY 2025-27 Goals

- Upgrade the hardware and software on our security camera system to support additional cameras. (Infrastructure & Public Safety)
- Upgrade our server storage infrastructure to enhance performance, capacity, and data protection. (Infrastructure)
- Upgrade the Senior Center's Audio/Visual equipment to ensure compliance with Americans with Disabilities Act accessibility standards. (Citizen Engagement)
- Upgrade video/audio components in the City Hall Community room (Citizen Engagement)
- Develop a city-wide Artificial Intelligence policy. (Fiscal Responsibility)
- Continue cyber security enhancements (Public Safety)

Performance Measures

Strategy	Measures	FY23-24 Actual	FY24-25 Projected	FY25-26 Budget	FY26-27 Budget
Effectively maintain and support computer and informational systems throughout the City	Major Software Applications Supported	75	77	80	80
	Computer Systems Supported	386	380	390	400
	Network Systems Supported	48	53	55	60
	Terabytes of data maintained onsite	24TB	24TB	30TB	35TB
Productivity Through IT Service Management process improvement	Help desk tickets submitted	1458	1800	1800	1800
	Help desk tickets resolved within 30 min. (Estimate)	0.15	0.1	0.1	0.15
	Satisfaction Rate: Good or better	98	100	100	100
	IT Staff Training Hours	120	100	100	100

Finance

The Finance department provides financial information, oversight and management. Finance is responsible for the biennial budget, annual audit, debt management, payroll, cash management, accounts receivable, accounts payable and administering the Community Enhancement Grant program. The Finance department prepares a wide range of internal and external financial reports.

FY 2024-25 Highlights

- Received the GFOA Budget Award for the Fiscal Year 2024-25 budget document
- Received the GFOA Award for Excellence in Financial Reporting for FY 2022-23
- Submitted for the GFOA Award for Excellence in Financial Reporting for FY 2023-24
- Upgraded financial ERP system to improve performance and data security
- Initiated new payroll processing platform to improve reporting, reduce staff needs and increase employee accessibility
- Began implementation of biennial budgeting process within the city

BY 2025-27 Goals

- Continue to increase passive revenues through sound investments and a diverse investment strategy (Fiscal Responsibility)
- Continue to update financial policies (Fiscal Responsibility)
- Revamp ACFR document for improved reader experience and reporting compliance (Citizen Engagement)

Performance Measures

Strategy	Measures	FY23-24 Actual	FY24-25 Projected	FY25-26 Budget	FY26-27 Budget
Maintain high levels of financial integrity	Independent auditor opinion	Unqualified	Unqualified	Unqualified	Unqualified
	Number of GFOA reviewer comments on the CAFR	16	4	4	4
Deliver efficient, effective financial services	Credit rating	Aa2	Aa2	Aa2	Aa2
	Actual cost to deliver financial services	\$710,782	\$797,023	\$1,004,099	\$1,049,581
	Cost to deliver financial services as a % of total City budget	1.3%	0.7%	0.8%	0.9%

Municipal Court

Municipal Court is responsible for processing all traffic violations and non-felony offenses within the City of Sherwood. The goal of the Municipal Court is to promote compliance with laws and regulations by processing citations for violations equitably and timely.

FY 2024-25 Highlights

- Converted to new photo enforcement vender and implemented new court processes
- Updated all courts documents for efficiency
- Implemented & updated all court software releases
- Prompt follow-up to citizen's questions & concerns

BY 2025-27 Goals

- Transfer from WebLEDS to LEDS 2020 for cost savings/efficiency (Fiscal Responsibility)
- Review/possible modification of court schedule (days/times).
- Add Pro Tem Judges to current rotation.
- Continue to ensure citations are processed consistently & accurately.
- Continue to ensure citation overdue process is done in a timely manner.

Performance Measures

Strategy	Measures	FY23-24 Actual	FY24-25 Projected	FY25-26 Budget	FY26-27 Budget
Manage an efficient and effective Municipal Court	Traffic violations	21,969	15,000	16,000	17,000

*Beginning July 1, 2023, budgeting for the Engineering Department was included under Public Works.

Planning

The Planning department plays an integral role in shaping the long-term character of the City through development and implementation of the Sherwood Zoning and Community Development Code, Sherwood Comprehensive Plan and other long-range plans. The plans are intended to protect the personal, environmental, and economic health of the community.

FY 2024-25 Highlights

- Approved 566,500 SF of new commercial and industrial space and 5 land use applications.
- Managed the Sherwood West Concept Plan to adoption by the Metro.
- Adopted development code updates to implement state mandated Climate Friendly Equitable Communities (CFEC) regulations and provide standards to conditionally permit food cart pods.
- Started work on the Old Town Strategic Action Plan

BY 2025-27 Goals

- Improve the development code and land use procedures to promote stronger economic development (Economic Development, Livability)
- Begin work on the Sherwood West Comprehensive Plan Amendment (Livability)
- Complete work on the Old Town Strategic Action Plan (Economic Development)
- Develop annexation policy criteria to manage growth related to infrastructure, school capacity, and long-term community needs (Livability)

Performance Measures

Building

The Building Department's responsibilities are to review and approve plans, issue permits, and perform inspections for new construction and remodels in compliance with the State of Oregon's building, plumbing, mechanical, solar, manufactured dwelling, and energy codes. The Department assists the public and design professionals with information relevant to the City's building and development codes and works with local jurisdictions, agencies, and builders to uphold construction standards and ensure the public's health and safety.

FY 2024-25 Highlights

- Issued building permits for new flex industrial buildings totaling over 1 million square feet including Rock Creek Industrial Park, Sherwood Commerce Center Phases 2 and 3
- Issued occupancy permits for businesses in key target industries including Studsun, Maxco Chain and others within the Sherwood Commerce Center
- Implemented new software system to comply with state standards

BY 2025-27 Goals

- Issue occupancy permits for Sherwood Commerce Center Phases 2 and 3, Cascadia Columbia Distribution, and other projects (Infrastructure, Economic Development)
- Complete plan reviews, inspections, and occupancy approvals with high quality customer service and complete state mandated training for staff (Economic Development)

Performance Measures

Strategy	Measures	FY23-24 Actual	FY24-25 Projected	FY25-26 Budget	FY26-27 Budget
Provide timely service	Building inspection performed same	100%	100%	100%	100%

Police

The Sherwood Police Department's primary purpose is to serve the community. The Police Department exists for the community and believes in the philosophy that the police are the public and the public are the police. We believe that law enforcement is a fundamental and critical service to the community and must be maintained as a priority.

BY 2025-27 Goals

In 2024, Sherwood Officers were engaged in approximately 19,201 activities, which comprised of calls for service and self-initiated activities. Officers responded to 1708 Mental/Behavioral Health involved calls, 643 Citizen Reports of Suspicious (circumstances, people, or vehicles), 432 Thefts/Frauds, 228 Traffic Crashes, 95 Domestic Disturbances and made 627 arrests. Officers conducted approximately 4,796 traffic stops, resulting in 1,327 citations and 3,469 warnings and 87 DUII arrests.

We want to pick up and continue with many of the programs identified for 2024-25

- Increase Theft/Fraud prevention/response measures (Livability, Public Safety)
- Increase crime/drug prevention in Sherwood Schools (Livability, Citizen Engagement, Public Safety)
- Enhance Behavioral Health response/training. (Citizen Engagement, Public Safety)
- Enhance succession planning through mentorship of officers and sergeants in appropriate leadership, training, and opportunities (Public Safety)
- Re-establish Citizens Academy (Citizen Engagement, Public Safety)
- Continue to engage with community members through our different venues and programs, i.e. Coffee with a Cop, Bowling with a Cop, Cruisin' Sherwood, Robin Hood, Street of Dreams (Citizen Engagement)
- Continue efforts to enhance service delivery through the efficient use of technology
- Continue efforts to bolster our community connection and communication through multimedia

Community Services

The Community Services Division encompasses Library services, the Sherwood Old Town Field House operations, the Sherwood Center for the Arts, the Marjorie Stewart Center, volunteer services, field and gym scheduling, and the coordinating and planning of various events. As part of the Washington County Cooperative Library Services (WCCLS), the Sherwood Library provides access to resources from all 13 County libraries as well as regional, national, and international sources. The Sherwood Old Town Field House is an indoor soccer facility that offers soccer leagues, facility rentals and field time for a variety of sports and activities. The Center for the Arts opened in February 2015 and features a 393-seat theater/multi-purpose space, visual arts gallery and two classrooms. The Marjorie Stewart Center offers programs, classes and meals for seniors.

Library

The mission of Sherwood Public Library is to inspire discovery, enrich lives and build community through equitable access to life-long learning. The Library serves the greater Sherwood area of about 25,000 people. Over 17,000 people have a library card registered at Sherwood Public Library. As a member of Washington County Cooperative Library Services (WCCLS), Sherwood Public Library provides access to nearly 2 million items—including e-books and digital audiobooks, streaming video, and online learning resources. The local collection includes 53,000 books, audiobooks, movies, CDs, magazines, newspapers, a “Library of Things”, games and more. Library staff coordinate community events, provide classes and story times, give tech help, and other programs for all ages. Internet access and software is available at 14 public computers. The children’s area is an active hub for playing and learning. The Library is open seven days a week. The majority of library funding is from WCCLS through the county’s general fund from local property taxes and a five-year operational levy.

FY 2024-25 Highlights

- Providing over 450,000 checkouts of physical and digital collections and adding 6000 new items to the local collection.
- Welcoming nearly 200,000 visits and 2,000 new library users.
- Partnered with Sherwood School District and WCCLS to issue library cards to 800 students.
- Provided 419 events and classes with 23,000 participants for early literacy, digital literacy, citizenship, book discussions, cultural events, and more last year.
- Implemented Strategic Plan initiatives for efficiencies, accessibility, and more. Met 100% of the state requirements and 91% of the indicators from the Oregon Library Association’s Public Library Standards

BY 2025-27 Goals

- Finish the Funding & Governance Evaluation Project with WCCLS and member libraries, including a new Intergovernmental Agreement (Fiscal Responsibility)
- Voter education for the levy for countywide library services (Citizen Engagement; Fiscal Responsibility)
- Continue Strategic Plan for 2023-2025 and update with community input for 2026-2028 (Citizen Engagement; Livability & Workability)

Field House and Sports Recreation

The Sherwood Old Town Field House offers a large indoor arena featuring "Field Turf". The Field House hosts a wide array of activities including adult and youth soccer, softball, baseball, and lacrosse. The Field House is also available for private rentals and sports clinics. The Recreation department is responsible for scheduling the use of the Snyder Park fields. These fields are primarily used by the youth sports leagues and are occasionally used for private rentals. The Recreation department also helps new or existing residents find opportunities for active recreation.

FY 2024-25 Highlights

- The Field House successfully hosted 14 adult leagues, and 3 youth leagues this year.
- Adult leagues have experienced steady growth, with an increase in the number of teams participating in each session.
- Added an additional softball club to utilize the Field House for their training sessions.
- Expanded our team with two part-time on-call employees to assist with weekend operations.
- Substantially increased rentals of Snyder Parks baseball field.

BY 2025-27 Goals

- Continue to grow the adult leagues as close to capacity as we can. (Livability)
- Work to get more interest in our youth leagues and grow them as much as possible. (Livability)
- Continue to help residents find opportunities for recreation. (Livability)
- Continue to rent the fields at Snyder Park as much as possible. (Fiscal Responsibility)

Performance Measures

Strategy	Measures	FY23-24 Actual	FY24-25 Projected	FY25-26 Budget	FY26-27 Budget
Provide quality recreational opportunities for health & fitness for Sherwood citizens. Continue to rent out Snyder Park .	Number people served in the Fieldhouse	11500	12000	12500	13000
	Number of leagues per year in the Fieldhouse	17	18	19	20
	Number of hours rented at Snyder Park	900	925	1000	1050
	Number of interactions with community regarding recreation opportunities.	20	24	28	32
	Number of Interactions with community regarding field rentals	250	265	275	300

Events and Volunteers

The Events and Volunteers department is responsible for planning and implementing the volunteer program, issuing Special Event Permits, coordinating events such as Music on the Green, Movies in the Park and the Veterans Day Ceremony.

FY 2024-25 Highlights

- Volunteer hours exceeded projections by 35%, demonstrating strong community involvement.
- Exceptional teen engagement across key programs, including Summer Reading, Bilingual Storytime in the Park, and activities at the senior center.
- Enhanced volunteer participation at the senior center by introducing new volunteer opportunities.
- Successfully launched the Adopt-a-Trail program, adding four new trail segments, including Cedar Creek Trail.
- Continued collaboration with the Sherwood School District to plant trees with local 4th graders in honor of Arbor Day.
- Presented five vibrant Music on the Green concerts at Stella Olsen Park throughout the summer.

BY 2025-27 Goals

- Strengthen corporate engagement and volunteer opportunities. (Economic Development, Citizen Engagement, Livability & Workability)
- Secure sponsors for Music on the Green and Movies in the Park (Economic Development, Citizen Engagement, Livability & Workability)
- Increase attendance at community events (Citizen Engagement, Livability & Workability)
- Boost community pride and involvement through targeted events and volunteer opportunities (Citizen Engagement, Livability & Workability)

Performance Measures

Strategy	Measures	FY23-24 Actual	FY24-25 Projected	FY25-26 Budget	FY26-27 Budget
Increase City-wide volunteer opportunities	Volunteer Hours	12,471	14,250	17,100	18,200
Accommodate special events and festivals	Special Event Permits Issued	25	27	30	30
Increase attendance at City sponsored events	Attendance at Music on the Green	5,200	6,200	7,000	7,500
	Attendance at Movies in the Park	750	830	925	1150

Sherwood Center for the Arts

Sherwood Center for the Arts is the premier performance and event venue for Sherwood and the surrounding community. With vibrant year-round arts education, live events, gallery space, a theater that seats up to 420, and two classrooms/meeting rooms, this flexible, state-of-the-art community space is the heart of Old Town Sherwood. The Sherwood Center for the Arts exists to *inspire, educate, and enrich the Sherwood community through diverse activities that enhance quality of life.*

FY 2024-25 Highlights

- Art Events Held ArtSmart Summer Camp, serving 559 children. Our third annual “Winter at the Center” included events for adults and families, a holiday movie, and a Winter Art Walk
- Community arts activities included Summer and Winter Art Walks, the Diwali celebration, art gallery openings, Open Mic nights, and Lunar New Year. The Lunar New Year celebration for the Year of the Dragon was at capacity.
- The Crestron AV system received an upgrade and essential sound and lighting equipment was repaired or replaced.
- The Arts Center welcomed eight new rental organizations this fiscal year.

BY 2025-27 Goals

- Continue to implement upgrades to the auditorium’s equipment, lighting design, and tech capabilities and train all users in these programs (Fiscal Responsibility; Economic Development; Livability and Workability)
- Implement public art in accordance with the Public Art Plan, and energize the Cultural Arts Commission and other stakeholders around these opportunities (Livability and Workability; Citizen Engagement)
- Celebrate the impact of the Arts Center in its 10th year of serving our community, and plan for its sustainable future by holding several events, including a 10th Anniversary Gala in September (Economic Development; Citizen Engagement; Livability and Workability)

Performance Measures

Strategy	Measures	FY23-24 Actual	FY24-25 Projected	FY25-26 Budget	FY26-27 Budget
Increase participation and utilization of the Center for the Arts facility and programs	Number of registrations for classes, workshops or camps	1,241	1,250	1,400	1,450
	Number of days of usage	319	325	330	335
	Number of production rentals	35	36	38	38
	Number of facility rentals	84	86	90	95
	Number of attendees to free arts events	2,905	3,000	3,250	3,500
	Number of attendees to visiting events & rentals	40,000	41,000	42,000	42,500
	Number of tickets sold to Center for the Arts programs & events	1,280	1,400	1,600	1,700

Marjorie Stewart Center

The Marjorie Stewart Center opened in 1982 and was originally built utilizing a Community Development Block Grant and many hours of volunteer labor. The City has been awarded 5 subsequent Block Grants to expand and improve the facility. The Center features a commercial kitchen, a dining room that seats 125, 3 classrooms, Lounge, Library, and the Pearl Room Mental Health Support Center. The Marjorie Stewart Senior Community Center provides services and activities to nurture the health and wellbeing of the Sherwood senior community. In addition to serving delicious, fresh-cooked meals Monday through Friday, the center has a multitude of activities including games, classes, writing & painting groups, as well as providing social services and referrals to the community.

FY 2024-25 Highlights

- Projected to serve more than 17,000 meals, over double the pre-pandemic meals.
- Launched the Sherwood Senior Shuttle curb-to-curb shuttle service, completing 654 rides between May 2024 and December 2024.
- Increased usage of Pearl Room Older Adult Mental Health Support Center programs.
- Renewed Older Americans Act funding for the Older Adult Nutrition Program.
- Received Community Health Improvement Plan grant to utilize new evidence-based health programs.

BY 2025-27 Goals

- Increase awareness & ridership of the Sherwood Senior Shuttle (Livability)
- Continue to build partnerships with local stakeholders to increase access to and availability of programming and services (Livability)
- Increase local awareness & utilizations of older adult mental health support offerings at the Center (Livability)
- Support Sherwood Senior Advisory Board in Age-Friendly City efforts (Livability)

Performance Measures

Strategy	Measures	FY23-24 Actual	FY24-25 Projected	FY25-26 Budget	FY26-27 Budget
Provide quality programs for Seniors. Provide a meal program for Seniors	Number of programs offered per month	103	125	125	125

*Beginning July 1, 2023, budgeting for the Engineering Department was included in Public Works.

Fleet and Equipment

The Fleet Maintenance division maintains and repairs city vehicles and equipment with an emphasis on safety, cost effectiveness and dependability.

FY 2024-25 Highlights

- Completed annual reporting requirements to the State
- Specified and purchased 100% of budgeted equipment
- Outfitted four (4) Police vehicles, two (2) Public Works vehicles, one (1) Utility vehicle, one (1) Support vehicle
- Oversaw surplus program (

BY 2025-27 Goals

- Meet annual state requirements (Infrastructure)
- Produce detailed cost reports to each division for fleet costs (Fiscal Responsibility)
- Look at ways to improve sustainable practices (Community Livability)
- Minimize percentage of fleet vehicles or equipment that are out of service at any time (Infrastructure)
- Specify and purchase 100% of budgeted vehicles and equipment (Infrastructure)
- Maintain five (5) City electric charging stations (Community Livability)

Performance Measures

Strategy	Measures	FY23-24 Actual	FY24-25 Projected	FY25-26 Budget	FY26-27 Budget
Maintain City's fleet of vehicles and equipment at a high level of quality with minimal cost	Number of scheduled vehicle maintenance work orders	241	220	240	245
	Number of scheduled equipment maintenance work orders	78	182	200	220
	Total number of equipment work orders	347	364	390	410

	Number of Generators maintained	6	6	6	6
	Total gallons of Fuel used City-wide	42,157	48,766	50,000	51,000

Facilities

The Facilities department is responsible for environmental health, safety, operations, maintenance, and repair of all city facilities.

FY 2024-25 Highlights

- Completed annual reporting requirements to the State
- Responded to 218 Service request.
- Completed weekly inspections of all City facilities
- Completed inspections of all contracted work
- Police Department re-carpet
- Replace wheelchair lift at Morback House
- Reprograming and commissioning of HVAC Controls at Police department Phase 1
- Replace windows 1st floor of the Morback House
- Updating City Hall & Public Works fire panel cellular transmitter
- Replace windows and siding at Senior Center

BY 2025-27 Goals

- Perform preventative maintenance of HVAC systems for all City facilities (Infrastructure)
- Complete weekly inspections of all City facilities (Infrastructure)
- Police Dept HVAC Controls Reprogram (Phase 2) (Infrastructure)
- Implement schedule for ADA identified improvements to city facilities (Public Safety and Livability)

Performance Measures

Strategy	Measures	FY23-24 Actual	FY24-25 Projected	FY25-26 Budget	FY26-27 Budget
Provide attractive, clean, safe, and well-maintained facilities for the public and City employees	Number of facility inspections per month	5	5	5	5
	Number of OSHA or safety violations reported	0	0	0	0
	Met requirements for meeting set-up and tear-down as requested	100%	100%	100%	100%
	Number of insurance claims involving City facilities	0	0	0	0

Parks Maintenance

The Parks department maintains the parks, trail systems, athletic fields, and open spaces.

FY 2024-25 Highlights

- Completed weekly playground inspections during peak season
- Completed trash pickup three times a week during peak usage
- Maintained 8,137 irrigation heads
- Completed 294 park reservations
- Provided 7-day/week staffing coverage during peak season
- Provided staff to assist at Music on the Greens and Movies in the Park and all city sponsored Festivals
- Snyder Park Parking lot Seal Coat
- Cannery Square Audio System Up Grade
- Maintained two (2) water features
- Snyder baseball field Cut outs turf replaced
- Skate Park Repairs and sealing of surfacing

BY 2025-27 Goals

- Oregon Trail Park repave pathway (Infrastructure, Livability & Workability)
- Woodhaven Park Basketball Court reseal and paint (Infrastructure, Livability & Workability)
- Snyder Park Tennis court resurface (Infrastructure, Livability & Workability)

Performance Measures

Strategy	Measures	FY23-24 Actual	FY24-25 Projected	FY25-26 Budget	FY26-27 Budget
Support and maintain parks, recreation land, and natural areas	Developed Park acres	61.56	61.56	61.56	61.56
	Restrooms cleaned daily	10	10	10	10
	Number of park reservations	294	335	335	376
	Number of sports fields maintained	3	3	3	3
	Number of playgrounds inspected weekly during peak season	9	9	9	9

Engineering

The Engineering department plans, designs, and oversees construction of the City's Capital Improvement Projects (CIP's), which include streets, stormwater systems, sanitary sewer systems, water systems, and park facilities. The department is responsible for management of the FEMA regulated floodplains and leads the administration of the DEQ-MS4 permit issued to Clean Water Services. The department is also responsible for review and approval of all private development projects that include installation of public infrastructure as part of the development. The department conducts inspections on the construction of public infrastructure projects to ensure that these facilities meet the City's standards for materials and installation. Engineering Department staff issues right-of-way (ROW) permits for all work performed within the public right-of-way and related easements and oversees grading permits and the erosion & sediment control program. The department also leads the implementation of the SDC and TDT programs and fees paid by developers.

**FY 2024-25 Highlights**

- Completed Cedar Creek Regional Trail soundwall along SW Alexander Lane and a feeder trail to SW Sherwood Blvd
- Executed design phase IGA with Clean Water Services to reimburse 100% of the design phase costs to the City for the Rock Creek Sanitary Trunkline Phase B project in sequence with the Tannery Site Cleanup efforts
- Completed 90% of construction of the Hwy 99W Pedestrian Bridge
- Completed ROW acquisition, bidding phase, and started construction of the SW Ice Age Drive Improvements project
- Completed final bid documents for the Timbrel-Sunset Crosswalk Safety project
- Completed the SW Schamburg Drive Utility Infrastructure Improvements project
- Coordinated and secured direct access to \$5M EPA Brownfields Grant funds and started work on site plans and environmental permitting for the Tannery Site Cleanup project
- Provided design coordination efforts between ODOT, WACO, CWS, and developers on private site developments

BY 2025-27 Goals

- Complete Hwy 99W Pedestrian Bridge construction (Economic Development, Infrastructure, Livability & Workability, Public Safety)
- Complete Transportation System Plan (TSP) Update (Infrastructure and Livability)
- Obtain all environmental and construction permits necessary to bid and have commenced cleanup work on the Tannery Site Cleanup project with cleanup work underway by the end of this biennium budget period (Infrastructure and Livability)
- Complete review of design & construction manual and implement changes (Infrastructure)
- Complete construction of the SW Ice Age Drive Improvements project (Infrastructure)
- Complete FEMA-FIRM remapping project with new Base Floodplain Elevation (Economic Development, Infrastructure & Livability)
- Design coordination efforts between ODOT, WACO, CWS, and developers on private site developments (Economic Development, Infrastructure, Livability & Workability, Public Safety)

Public Art

The Public Art Fund is a newly created fund. It was created to provide funding to encourage art within the community and promote tourism within the city. All projects funded will be approved by the City Council with feedback from the Cultural Arts Commission.

FY 2024-25 Highlights

- Selected and commissioned Oregon artist to create custom bronze pieces depicting wildlife native to the area for the Oregon Street Roundabout

BY 2025-27 Goals

- Update the Public Art Master Plan (Livability & Workability)
- Install artwork for Oregon Street Roundabout (Livability & Workability)
- Seek partnerships to promote art projects within the community (Livability & Workability)
- Peruse grant funding opportunities (Livability & Workability)

Performance Measures

As this fund becomes more established, performance measures will be established and outlined in future years.

Economic Development and Promotion

The Economic Development and Promotion Fund is the face for the City business community. Economic Development's responsibility is to promote, develop and assist with opportunities for business, industrial and entrepreneurial development. The fund will help drive economic development, support businesses that provide jobs for residents by building on assets, developing the necessary infrastructure to retain existing businesses, support new businesses and promote/sponsor local events. Economic development also will be supported by maintaining our livability and character as a clean, healthy, and vibrant community where one can work, play, live, shop and do business. The fund assists with business retention, expansion and recruitment as well as improving the business climate within the City.

FY 2024-25 Highlights

- Developed a strategic plan for fund allocation
- Sponsored key local events to support community engagement
- Hosted 35+ Familiarization (Fam) Tours for site selectors and economic groups
- Attended over 50 economic development-related events at local and state levels
- Placed multiple paid advertorials and participated in local media interviews

BY 2025-27 Goals

- Continue hosting Fam Tours and engaging with site selectors. (Economic Development)
- Attend 50+ economic development events annually. (Economic Development)
- Complete the Old Town Strategic Plan and implement economic development recommendations (Economic Development)
- Strengthen workforce development initiatives - partnerships with high schools and colleges. Attract high-paying industries to invest in Sherwood's business ecosystem. (Economic Development)
- Target and recruit industries aligned with City Council's goals and strategic priorities. (Economic Development)
- Attract small to mid-sized hotel chains to establish a presence in Sherwood. (Economic Development)
- Promote Sherwood as premier hospitality and Wine Country destination (Economic Development)
- Advocate for Sherwood West's development through promotion, branding, and presentations. (Economic Development)
- Develop a world-class Economic Development section on the city website. (Economic Development)
- Identify and secure grants and loans for Old Town businesses and citywide economic growth. (Economic Development)

Transient Lodging Tax (TLT)

The Transient Lodging Tax Fund is a special revenue fund used to account for the tax charged to anyone occupying a hotel, motel, dwelling unit used for temporary overnight occupancy or recreational vehicle spaces for 30 consecutive calendar days or less. This tax has been in existence since 1972. On July 1, 2006, the tax was increased to 9% and on April 1, 2019, a local TLT was imposed of 3%. A minimum of 70% of net revenue from County and Local TLT receipts must be used for the promotion of tourism; the remaining 30% can be used for any purpose.

FY 2024-25 Highlights

- Support Sherwood Center for the Arts

BY 2025-27 Goals

- Research and develop a plan to potentially grow this tax program (Fiscal Responsibility)

Grants

The Grants Fund is a special revenue fund used to account for Federal, State, and Local grants. Funds received must be used only in accordance with the grant agreement(s). For the current fiscal year, the grant-funded program was the Metro Community Enhancement Program (CEP).

FY 2024-25 Highlights

- Awarded funds to community applicants totaling \$165,393

BY 2025-27 Goals

- Provide opportunities to groups who have not learned about the CEP program (Citizen Engagement)
- Expand advertising and outreach (Citizen Engagement)

Community Investment Fund

The Investment Fund is a newly created fund last fiscal year. There are many projects and needs that require funding. This fund will be utilized to help support those projects and needs.

FY 2024-25 Highlights

- \$331,410 to the Police Department for Career Cycle Planning
- \$600,000 loan to the Sanitary fund for Schamburg Sanitary Line Replacement
- \$2.4 million loan to the Sherwood Broadband utility

BY 2025-27 Goals

- Build fund balance through investment income

Performance Measures

As this fund becomes more established, performance measures will be established and outlined in future years.

Debt Service Fund

The Debt Service fund accounts for property tax revenues levied for payment of general obligation bonds. Payments on long-term debt other than general obligation bonds are accounted for in the funds responsible for paying the debt. The final payment on the City's general obligation bonds occurred in FY2020-21 and the remaining fund balance was returned to the General Fund in FY2022-23.

Oregon Budget Law requires data for three historical years to be included in the budget details. Once there is no data reflected in those years, the fund will no longer be represented in the budget document.

Street Operations

The Street Operations fund is responsible for the repair and maintenance of over 60 miles of transportation system which includes paved streets, alleyways, sidewalks, signals, pedestrian crossings, streetlights, signs and markings.

FY 2024-25 Highlights

- Responded to storm events
- Continued street sign reflectivity program
- Completed Pavement Management Program projects/slurry seal/crack sealing
- Continued implementation of ADA ramp program
- Completed inspection of all contract work
- Continued the Sidewalk program: completed over 250 repairs
- Continued Tree Trimming program
- Completed City-wide ADA Transition Plan

BY 2025-27 Goals

- Pavement Management Program projects/slurry seal (Infrastructure)
- Continue reflectivity of City's street signs program (Infrastructure)
- Sidewalk Replacement Program (Infrastructure)
- Continue implementation of ADA ramp program (Infrastructure, Livability and Public Safety)

Performance Measures

Strategy	Measures	FY23-24 Actual	FY24-25 Projected	FY25-26 Budget	FY26-27 Budget
Maintain roads and right-of-way to the highest quality standard	City-wide average PCI rating	84	84	83	82
	Number of street segments	772	800	807	812
	Number of street segments reconstructed	8	7	2	3
	Number of street segments slurry sealed	47	13	50	50
	Number of street segments cracks sealed	179	90	100	120
	Number of signs updated/replaced	55	90	120	120
Maintain street signage and striping for safety	Number of lane miles restriped	2	12	12	12
	Number of thermo-plastic street legends installed or replaced	45	50	60	60
	Street Signs	2,438	2,480	2,500	2,530

Street Capital Projects

- Edy Rd Improvements
- Oregon Street Design and Construction
- Sunset-Timbrel Crosswalk Enhancements
- Washington Street Reconstruction
- Arrow Street Improvements
- Borchers (Roy Rogers to Sydney)
- TSP Update
- Edy-Elwert Intersection Improvements
- Traffic Calming
- Sunset (Main to Cinnamon Hill)
- Borchers (Daffodil to Roy Rogers)
- Willamette (Orcutt to Pine)
- Meineke (Cedarbrook way to 99W)

For a complete description of these projects, refer to the Debt Service & CIP Section

Budget Detail

Water Fund in Total

Water Fund in Total

The Water fund consists of two programs: operations and capital. The operations program is responsible for ongoing maintenance of the water utility. The capital program is responsible for construction of water infrastructure.

Water Operations

The Water Operation program's primary responsibility is to repair, maintain and expand the water system while providing a high quality, dependable water supply to its customers.

FY 2024-25 Highlights

- Completed annual reporting requirements to the State (Infrastructure)
- Coordinated and managed testing of all 3,350 active backflow assemblies (Infrastructure)
- Completed hydrant maintenance program (half of system) (Infrastructure)
- Completed Uni-Directional flushing program (Infrastructure)
- Completed meter testing of 2" and larger meters (Infrastructure)
- Responded to one (1) water main break emergencies (Infrastructure)
- Completed installation of Norton Waterline Replacement (Infrastructure)
- Completed Park Row Waterline Replacement with staff (Infrastructure)

BY 2025-27 Goals

- Implement recommended CIP Program (Infrastructure)
- Perform preventative maintenance on half of public fire hydrants (Infrastructure)
- Provide Uni-Directional flushing program (Infrastructure)
- All Backflow Assemblies tested annually (Infrastructure)
- Complete various Resiliency Projects (Infrastructure)
- Complete meter maintenance program (Infrastructure)

Performance Measures

Strategy	Measures	FY23-24 Actual	FY24-25 Projected	FY25-26 Budget	FY26-27 Budget
Provide clean and safe water via an efficiently maintained and operated water system	Million gallons of water used City-wide annually	748	742	743	744
	Million gallons of water flushed to maintain water quality	1.4	1.5	1.5	1.5
	Miles of water lines maintained	88	89	90	92
	Active service connections	6,303	6,400	6,450	6,500
	Number of water quality samples taken annually	267	300	320	330
Assure back flow prevention program is current and meets all requirements	Number of backflow systems installed	3,106	3,350	3,400	3,450
	Percentage of backflow systems tested	92%	98%	100%	100%

Water Capital Projects

- Willamette River Water Treatment Plant 20.0 mgd Expansion
- TVWD Capacity Improvements 6.2 to 9.7 mgd
- Tualatin-Sherwood Road County Conflict Improvements
- Routine Water Replacement Program
- WRWTP – Seismic Resilience

For a complete description of these projects, refer to Debt Service & CIP section.

Sanitary Operations

The Sanitary Operations program manages and operates 70.6 miles of pipe ranging in size from 6”-21” in the wastewater collection system in the city limits of Sherwood. The Sanitary Operations program maintains and operates a safe and reliable wastewater collection system that protects public health, protects the environment, and meets or exceeds all regulatory standards.

FY 2024-25 Highlights

- Met all required CWS performance measures
- Cleaned 84,795 feet of sanitary main lines, 1/4 of our Sanitary System
- Videoed 42,398 feet of sanitary main lines, 1/8 of our Sanitary System
- Completed brushing and posting program
- Completed annual inspections at City businesses to ensure Fat, Oil, and Grease (FOG) compliance
- Provided semi-annual cleaning of sanitary sewer mainlines which are essential to FOG from our food establishments

BY 2025-27 Goals

- Meet CWS performance measures (Infrastructure)
- Continue to increase public awareness of FOG (Infrastructure)
- No sanitary sewer overflows (Infrastructure)

Performance Measures

Strategy	Measures	FY23-24 Actual	FY24-25 Projected	FY25-26 Budget	FY26-27 Budget
Scheduled maintenance of wastewater infrastructure	Total feet of sanitary lines	325,139	339,186	340,000	341,000
	Percentage of lines cleaned	28%	25%	25%	25%
	Percentage of lines video inspected	14%	13%	13%	13%
	Number of overflows or backups	1	0	0	0
	Percentage of businesses inspected and in compliance with City’s FOG Program	100%	100%	100%	100%
	Percentage of manholes inspected performance measure changed for manhole inspections	25%	25%	25%	25%

Sanitary Capital Projects

- Rock Creek Upsizing Phase 2
- Brookman Sanitary Sewer Trunk Line

For a complete description of these projects, refer to Debt Service & CIP section.

Stormwater Operations

The Stormwater Operations program provides a safe and reliable Stormwater system and implements watershed protection and restoration actions that consistently promote surface water quality and stream health.

FY 2024-25 Highlights

- Cleaned 70,621 feet of stormwater main lines
- Cleaned/inspected 2,002 catch basins
- Cleaned 101 water quality manholes semi-annually
- Treated 2,050 catch basins for prevention of West Nile Virus
- Completed leaf curbside pickup for all public city streets and held 1 leaf drop off date at Public Works facility; collected 903 yards of leaves
- Planted 500 trees (only one tree planting)
- Completed monthly sweeping of streets and city parking lots

BY 2025-27 Goals

- Meet CWS Performance Standards (Infrastructure)
- All private water quality facilities (WQF) are operational (Infrastructure)
- Perform monthly street sweeping (Infrastructure), continue to provide extra sweeping schedule to Tualatin-Sherwood Rd and downtown streets
- Retro-fit six (6) unsumped catch basins to sumped (Infrastructure)
- Rehabilitate three (6) public WQF's, continue to increase number of functional facilities (Infrastructure)

Performance Measures

Strategy	Measures	FY23-24 Actual	FY24-25 Projected	FY25-26 Budget	FY26-27 Budget
Scheduled maintenance of Stormwater infrastructure	Total feet of Stormwater lines	351,849	353,106	354,500	356,000
	Percentage of system videoed	20%	20%	15%	15%
	Percentage of Stormwater lines cleaned	29%	20%	17%	17%
	Total number of sumped catch basins	1,787	1,831	1,860	1,880
	Percentage of catch basins cleaned	99%	100%	100%	100%
	Number of WQFs, LIDA rehabilitated/enhanced	3	5	3	3

Stormwater Capital Projects

- Cedar Creek Trail Crossing of Hwy 99
- Woodhaven Swales
- Stormwater Quality Facility Refurbishments
- Citywide Catch Basin Remediation Program
- 2nd & Park Steet Stormwater Facility Rehabilitation
- Gleneagle Drive Regional Storm New Facility

For a complete description of these projects, refer to Debt Service & CIP section.

Broadband Fund

The Broadband fund supports the communication needs of the City, local businesses, school district, and residents. Services within this utility are primarily sold and managed through third party service providers. Currently there are over 70 sites within this network and over 100 miles of fiber optic cable. Broadband also supports economic development within Sherwood and the surrounding area.

Broadband

The Broadband fund supports the communication needs of the City, local businesses, school district, and residents. Services within this utility are sold directly or through third party service providers. Broadband also supports economic development within Sherwood and the surrounding area.

FY 2024-25 Highlights

- Completed 12th Fiber to the Home area, making Sherwood Broadband service available to 3500 Sherwood residents, Brought service to the Sherwood Commerce Center sites
- Obtained a \$1M Federal Broadband Grant through Representative Salinas for rural expansion North and South of Sherwood
- Obtained a \$9M Federal/State Broadband Deployment Program grant for rural expansion south of Sherwood
- Completed the \$1.66M State Broadband grant for expansion along Roy Rogers, Scholls Ferry, and Beef Bend.
- Upgraded backbone links to 100GB
- Completed outreach efforts to increase reviews of service, as of January '25 all reviews have been five stars.
- Completed multiple Marketing outreach efforts, for both construction notification, and new customer solicitation.

BY 2025-27 Goals

- Continue construction of the Fiber to the Home project. (Infrastructure)
 - Continued refining operational and construction processes to build efficiency.
 - Grow new marketing efforts to attract new customers.
 - Increase outreach to business customers in our service areas.
- Evaluate and pursue BEAD grant opportunities. (Infrastructure)
- Continue to pursue new revenue opportunities. (Fiscal Responsibility)
- Continue to expand partnerships with local agencies. (Fiscal Responsibility)

Overview of Financial Policies

Purpose

In order to carry out the mission of the City of Sherwood and support the City's values, this set of financial policies has been created by the City of Sherwood.

The purpose of these financial policies is to guide in assessing the long-term financial and budget implications of current decisions and to provide a cohesive long-term approach to financial management of the City of Sherwood. These policies establish a means for guiding today's financial decisions in order to achieve the mission of the City of Sherwood in a manner that reflects the City's values.

Goal

The goal of these policies is to provide the financial stability needed to navigate through economic changes, adjust to changes in the service requirements of the community and respond to other changes as they affect the City's residents.

Responsibilities

1. **Stewardship:** The City of Sherwood is a steward of public funds. These funds are entrusted to the City through the payment of taxes, fees, and fund transfers from other governments. The City of Sherwood is responsible for using all funds efficiently and effectively and for the purposes for which they were intended.
2. **Asset Protection:** The assets of the City of Sherwood exist in a variety of forms. All these assets must be protected through an effective accounting and internal control System. The System must track assets and document the costs of acquisition, maintenance, and replacement.
3. **Legal Conformance:** The City of Sherwood is subject to federal, state, and local statutes and rules regarding purchasing, entering into debt, budgeting, accounting, and auditing: regulations that govern virtually all financial transactions. The City also voluntarily enters into contracts which include significant financial and operational covenants. The City of Sherwood is responsible for conforming to laws, rules, and covenants to which it is subject.
4. **Standards:** The Government Finance Officers Association (GFOA) and the Governmental Accounting Standards Board (GASB) set policies and guidelines for public sector accounting and financial reporting. The City of Sherwood is responsible for adhering to the requirements of these organizations and for seeking guidance from policies, standards and best practices set forth by these organizations.
5. **Authority:** The Sherwood City Council is the sole authority for deleting, modifying, or adding to these policies. Every two years, the Council shall engage the Budget Committee to review and update these policies.

Policy 1 - Funds

1. The City of Sherwood will maintain an orderly and logical fund structure that provides stakeholders with ready access to financial information.
2. The City of Sherwood will conform to Generally Accepted Accounting Principles (GAAP) and the Government Finance Officers Association's best practices for establishing and maintaining funds.
3. The City of Sherwood will establish and maintain those funds required by law and sound financial administration. Acknowledging that unnecessary funds result in inflexibility, complexity, and inefficient financial administration, only the minimum number of funds consistent with legal and operating requirements will be established.
4. The criteria for establishing a new fund are variable, but include triggers such as:
 - a. Inauguration of a new dedicated revenue stream and a concurrent service
 - b. The need for increased clarity of financial information
 - c. The establishment of a new enterprise
 - d. Covenants embodied in financing agreements and
 - e. Changes in state law or financial management/accounting standards
5. Only the Sherwood City Council has the authority to create or delete funds. The Council shall create or delete funds by resolution.

Policy 2 - Budgeting

1. The City of Sherwood budget process shall consist of activities that encompass the development, implementation, and evaluation of a plan for the provision of services and capital assets.
2. The purpose of the budget process is to help decision makers make informed choices about the provision of services and capital assets and to promote stakeholder participation in the process.
3. The City of Sherwood budget process shall:
 - a. Incorporate a long-term perspective (minimum five fiscal years)
 - b. Establish linkages to broad organizational goals
 - c. Focus budget decisions on results and outcomes
 - d. Involve and promote effective communication with stakeholders
4. All budgetary procedures will conform to existing state and local regulations. Oregon budget law requires each local government to prepare a balanced budget and Oregon Administrative Rules state:
 - a. The budget must be constructed in such a manner that the total resources in a fund equal the total of expenditures and requirements for that fund, and
 - b. The total of all resources of the municipality must equal the total of all expenditures and all requirements for the municipality.
5. A cost allocation plan will be developed and incorporated into the City of Sherwood budget. The cost allocation plan will be the basis for distribution of general government and internal service costs to other funds, divisions, and capital projects.
6. The Sherwood City Council shall adopt the budget at the fund, division, or program level (as appropriate to each fund) as a total dollar amount for all appropriations except contingency, unappropriated ending fund balance and reserves, which shall be stated separately.
7. Inter-fund Transfers shall be kept to a minimum. Inter-fund loans shall be documented in a resolution that cites the terms of the loan.
8. As part of the biennial budget process, the City of Sherwood will maintain a five-year revenue and expenditure forecast. This forecast will be created using an objective, analytical process incorporating applicable projections from the State of Oregon's latest Economic Forecast and conservative assumptions where State developed data is not available. Revenues will be estimated realistically and prudently using best practices as defined by the Government Finance Officers Association. Revenues shall be forecasted conservatively.

Policy 2 – Budgeting (Continued)

9. Oregon budget law provides a means to adjust the budget for emergency expenditures or unforeseen circumstances. All resolutions adjusting the budget will be prepared by the Finance department for City Council approval to ensure compliance with budget laws.
10. Prior to submittal to City Council, the Budget Officer will convene the Budget Committee to review supplemental budget resolutions. If time does not allow for this action, Budget Committee members shall be informed of the City Council's action on the resolution promptly.
11. A mid-year review process will be conducted by the City Manager and Finance Director in order to make any necessary adjustments to the Adopted budget.
12. In the City's effort to strive for excellence, the City of Sherwood will make every effort to obtain the Award for Distinguished Budget Presentation from the Government Finance Officers Association (GFOA).
13. Reports comparing actual to budgeted expenditures will be prepared quarterly by the Finance Department and distributed to the City Council, City Manager and Department Directors.

Policy 3 - Revenue

1. City of Sherwood revenues are either unrestricted or dedicated. Unrestricted revenues can be used for any purpose. Dedicated revenues are restricted in the ways they can be used by federal or state regulations, contractual obligations, or by City Council action. The City of Sherwood will adhere to the restrictions applied to dedicated revenues.
2. The City of Sherwood will maintain a diversified revenue stream that is managed strategically to mitigate the impact of short-term fluctuations in any revenue source.
3. The City of Sherwood will identify sustainable revenue levels and, to the extent possible, current operations will be funded by current sustainable revenues.
4. One-time revenues will be used for one-time expenditures or as contributions to reserves and will not be used to pay for established services.
5. The City of Sherwood will not respond to long-term revenue shortfalls with deficit financing and borrowing to support established services. Expenses will be reduced and/or revenues will be increased to conform to the long-term revenue forecasts.
6. During the budget process, the Sherwood City Council will identify those programs which are to be supported in whole or in part by cost recovery and ensure that revenue collections reflect the cost of providing associated services by adjusting fees accordingly.
7. The City of Sherwood will charge fees for services where such an approach is permissible, and where a limited and specific group of beneficiaries who can pay such charges is identifiable.
8. New or expanded unrestricted revenue streams should first be applied to support existing programs. When existing programs are adequately funded, such revenue may be used as contributions to reserves or to fund new or expanded programs.

Policy 4 - Expenditures**Controls**

1. By resolutions, the City Council will establish a purchasing policy that conforms to state statutory requirements for purchasing and contracting and invests the City Manager with purchasing and contracting authority.
2. By Budget and Supplemental Budget Resolutions, the City Council shall establish and limit expenditure appropriations by statutory categories. The City Manager shall be responsible for limiting expenditures to those appropriation levels.

Specific Expenditures

1. **Personal Services.** Pursuant to the City Charter, the City Manager or designee is responsible for the management of employee staffing and compensation. The City Manager or designee shall negotiate salaries and benefits for represented employee groups in conformance with the Oregon Public Employees Collective Bargaining Act and the Employee Relations Board decisions and arbitration decisions that emanate from the Act.
2. **Capital Improvement Impacts.** Whenever Capital Improvement expenditures will result in increases to future operating expenses or asset replacement contributions, estimates of those impacts shall be incorporated into the long-term financial plan.
3. **Capital Outlay.** By resolution, the City Council shall define the characteristics of a capital asset by specifying the minimum purchase price and minimum term of service. The City will provide for adequate maintenance of Capital Assets.
4. **Capital Improvement Plan.** The City Manager or designee will prepare a five-year Capital Improvement Plan (CIP) annually and submit it to the City Council for approval via resolution.

Policy 5 - Revenue Constraints and Fund Balance**Nature of Constraints**

The City of Sherwood will maintain the following categories of revenue constraints in conformance with GASB 54. Fund Balances shall be accounted for on the basis of these categories.

1. **Non-spendable.** Assets that are not in a spendable form or are required to be maintained intact.
2. **Restricted.** Cash that can be spent only for specific purposes stipulated by third parties or by statutes. Only the constraining party can lift constraints on Restricted funds.
3. **Committed.** Cash that can be used only as directed by formal action of City Council. Council action may be in the form of a motion or resolution. Only the City Council can lift constraints on committed funds. Such a change must be made using the same action that established the constraint.
4. **Assigned.** Cash the City intends to use for specific purposes. The City Council delegates the authority to create this constraint to the City Manager. In addition, for all funds except the general fund, all cash not in one of the Non-spendable, Restricted, or Committed categories, or specifically assigned under this category will, by default, be assigned to this category.
5. **Unassigned.** General Fund cash that is not otherwise categorized fund balance is the residual classification for the general fund and includes all amounts not contained in the other classifications.

Other Considerations

1. **Stabilization.** The purpose of stabilization arrangements is to provide a revenue source to maintain service delivery during periods of diminished revenues. The City may choose to create stabilization arrangements either by creating new funds or dedicating revenues within existing funds. Stabilization arrangements will be created by the City Council and the authorizing legislation shall include the policies on funding and accessing the arrangement.
2. **Order of Use.** If multiple categories of fund balance are applicable to an expenditure, the City shall access funds in the following order: Restricted, Committed, Assigned, Unassigned.
3. **Purpose of Special Revenue Funds.** Special Revenue funds are general government funds created to track the use of dedicated revenues. The City legislation creating a special revenue fund will specify which specific revenues and other resources are authorized to be reported in the fund.
4. **Fund Balance.** Unrestricted fund balance is the sum of Committed, Assigned and Unassigned fund balance in any individual fund. In the General Fund, the City will maintain an Unrestricted fund balance of at least 20% of fund revenue.

Policy 6 - Continuing Disclosure**Continuing Disclosure In General**

Issuers of municipal securities and entities working on their behalf disclose material information to the marketplace such as annual financial information and material event notices. In December 2008, the Securities and Exchange Commission directed the Municipal Securities Rulemaking Board to establish a continuing disclosure service of the MSRB's Electronic Municipal Market Access (EMMA) system effective July 1, 2009. The continuing disclosure service of EMMA collects continuing disclosure documents from the issuer community and makes them available to the public for free through EMMA.

In conformance with the "Continuing Disclosure Certificate" entered into by the City of Sherwood in bond issuances, the City shall comply with Rule 15c2-12 of the Securities Exchange Act of 1934 (Exchange Act). As noted above, these disclosures generally are divided between submissions made to update financial or operating information about the issuer and notices that disclose the occurrence of specific events that may have an impact on the bonds. These disclosures are described below.

City Responsibility

The Finance Director shall be responsible for adhering to the City's Continuing Disclosure Obligations.

Debt

The City will borrow only to finance capital assets. The City will not borrow for operating purposes.

No bonds will mature more than 30 years from the date of issuance. No debt will be issued with a life exceeding the estimated useful life of the capital assets being financed. The City will limit bonded debt to 3% or less of total assessed value, as required by ORS 287.004. Repayment sources are identified for every debt prior to issuance.

Policy 6 - Continuing Disclosure (continued)**Rule 15c2-12 Disclosures**

Rule 15c2-12 rule requires, for most new offerings of municipal securities, that the following types of information be provided to the MSRB's EMMA system:

1. Financial or operational information
 - a. Annual financial information concerning issuers or other obligated persons, or other financial information and operating data provided by issuers or other obligated persons
 - b. Audited financial statements for issuers or other obligated persons, if available
2. Event Notices
 - a. Principal and interest payment delinquencies
 - b. Non-payment related defaults, if material
 - c. Unscheduled draws on debt service reserves reflecting financial difficulties
 - d. Unscheduled draws on credit enhancements reflecting financial difficulties
 - e. Substitution of credit or liquidity providers, or their failure to perform
 - f. Adverse tax opinions, Internal Revenue Service (IRS) notices or material events affecting the tax status of the security
 - g. Modifications to rights of security holders, if material
 - h. Bond calls, if material
 - i. Tender offers
 - j. Defeasances, release, substitution, or sale of property securing repayment of the securities, if material
 - k. Rating changes
 - l. Bankruptcy, insolvency, receivership or similar event;
 - m. Merger, consolidation, or acquisition, if material; and appointment of a successor or additional trustee, or the change of name of a trustee, if material
 - n. Notices of failures to provide annual financial information on or before the date specified in the written agreement

Accrual basis - A method of timing in the recognition of transactions and events. Please see modified accrual basis for the alternative method. Accrual basis records revenue when earned and expenses as soon as a liability is incurred.

Adopted Budget - The final budget appropriations approved by the City Council, which becomes the budget of the City.

AFSCME - American Federation of State, County and Municipal Employees. One of the union organizations representing the bargaining employees of the City.

American Rescue Plan Act (ARPA) – Federal stimulus program to provide direct relief to cities, towns and villages in the United States of America.

Annual Comprehensive Financial Report, the audited report of the City’s finances for the fiscal year.

Appropriation - Authorization to spend a specific amount of money. The City Council gives appropriation authority by adopting the budget.

Approved Budget - The budget recommended by the Budget Committee for adoption by the City Council.

Assessed value - The value set on real and personal property as a basis for imposing taxes. Assessed values are determined by Washington County.

Biennial Year (BY) – The twenty-four-month period to which the operating budget applies.

Budget - A plan of financial operation embodying an estimate of proposed expenditures for a given purpose and/or period. The budget is the financial plan of the City’s allocations of the resources to provide services, and to accomplish the City’s objectives.

Budget Calendar - Key dates or events which a government follows in the preparation and adoption of the budget.

Budget Committee - A committee required by Oregon Local Budget Law (ORS 294.305) which must recommend a budget and approve the maximum tax levy.

Budget Message - A written explanation of the budget and the City’s financial priorities presented to the Budget Committee by the City Manager which is required by Oregon Local Budget Law, ORS 294.

Budget Officer - The Finance Director or other person appointed by the City Council to prepare the proposed budget. This designation is required by Oregon Local Budget Law (ORS 294.305)

Capital Assets - Items which have a useful life of two or more years and a cost of \$5,000 or more. These include land, infrastructure, buildings, improvements other than buildings, vehicles, and certain furniture and equipment.

Capital Improvement Plan (CIP) - A schedule of planned capital projects and their costs, for three or more years.

Capital Lease - Lease of a capital asset. The lease may or may not result in the City's ownership of the item at the end of the lease term.

Capital Outlay - Expenditures for capital assets. Includes all purchased capital assets. Expenditures for constructed capital projects appear in capital outlay, materials and services, and reimbursements, depending on the nature of the expenditure.

Capital Projects - Projects which purchase or construct capital assets. Typically a capital project encompasses a purchase of land and/or the construction of a building or facility.

COLA - Cost of living. A COLA increases all salaries at all classes and steps by the same percentage.

Consolidated Appropriations Act (CAA) – Federal continuation of the CARES Act in response to the COVID-19 pandemic.

Contingency - An amount appropriated in anticipation that some operating expenditures will become necessary which cannot be foreseen and planned in the budget.

Coronavirus Aid, Relief and Economic Security (CARES) Act - provided economic assistance for American workers, families, small business and industries in response to the COVID-19 pandemic.

COVID-19 - is the disease caused by SARS-CoV-2, the coronavirus that emerged in December 2019.

CWS - Clean Water Services, the regional sewer treatment entity. CWS is a County Service District, defined by ORS 451. The City of Sherwood owns and operates sewer and storm water pumping and transmission facilities; CWS receives and treats the wastewater.

Debt Service - Principal and interest payments on long-term debt.

Department - Units within a division consisting of one or more.

Division - An organizational unit with a distinct budget.

ESC - Erosion and Sediment Control.

Fiscal Year - The twelve-month period to which the operating budget applies. The City's fiscal year is July 1 through June 30.

Franchise Fee - Fees charged to utilities for the use of public right-of-way.

FTE - Full-Time Equivalent - A part-time position converted to the decimal equivalent of a full-time position based on 2,080 hours per year.

Fund - A fiscal and accounting entity, segregating resources for the purpose of carrying on specific activities in accordance with legal restrictions.

Fund Balance - The amount of available, spendable, financial resources in any given fund at a specified date.

GAAP – Generally Accepted Accounting Principles A common set of accounting principles, standards and procedures issued by the Financial Accounting Standards Board.

GASB - The Governmental Accounting Standards Board, the body that defines generally accepted accounting principles for governments.

General Fund - The City's primary operating fund. There are no restrictions as to the purpose in which the revenues in this fund can be used.

General Obligation Bond (G. O. Bond) - A government pledge of full faith and credit to the repayment of the bonds issued by the government. They are usually issued to pay for general capital improvements.

GFOA - Government Finance Officers Association.

Goal - A statement of direction, purpose or intent based on the needs of the community, generally to be completed in a specified amount of time.

Grant - A donation or contribution by one government unit or organization to another. This is usually made to aid a specified purpose.

Infrastructure - Infrastructure are assets that are immovable and of value only to the City. It includes roads, bridges, curbs and gutters, sidewalks, drainage systems, lighting systems, and water and sewer systems.

Interfund Loan - A loan made by one fund to another and authorized by the City Council.

Levy - The amount of property tax certified by the City Council.

Major fund – A government's most important fund as determined by revenues, expenditures/expenses, assets, or liabilities (excluding extraordinary items) are at least 10 percent of corresponding totals for all governmental or enterprise funds AND at least 5 percent of the aggregate amount for all governmental and enterprise funds, as well as any fund that management believes is important to users of the information.

Materials and Services - Expendable items purchased for delivery of services. This includes supplies, repairs, maintenance and replacement parts that are not of capital nature.

Mission - Defines the primary purpose of the City.

Modified Accrual - A method of timing in the recognition of transactions and events. Please see Accrual basis for the alternative method. Modified accrual basis records revenue when earned, if they are collectible within the period or soon enough afterwards to be used to pay liabilities of the period. Expenditures are recorded when a liability is incurred except that debt service payments and other specific accrued liabilities are recognized only when payment is due.

Nonmajor Funds – A fund that mathematically is not significant but are used to account for specified revenues or activities.

Objective - What we want to accomplish. City-wide objectives are longer term than one year, cross departments, and/or are comprehensive in scope.

Operating Budget - Sources and uses necessary for day-to-day operations.

Ordinance - A formal legislative enactment by the governing body of a municipality. If it is not in conflict with any higher form of law, such as a state statute or constitutional provision, it as the full force and effect of law within the boundaries of the municipality to which it applies.

ORS - Oregon Revised Statutes, laws of the State of Oregon.

PEG - Public, Educational and Governmental Access Channel designations for cable television. Certain franchise fee revenue from cable providers is restricted to the costs of providing such access.

Performance Measure - Data collected to determine how effective or efficient a program is in achieving its objectives.

PERS - Public Employees Retirement System. A State of Oregon defined benefit pension plan to which both employees and employer contribute.

Personal Services - Expenditures for payroll, payroll taxes, and employee benefits.

Project - Projects are distinct, with a definable result, process, and beginning and end. Projects are capital or operating.

Property Tax Levy - Based upon the assessed value of property and is used as the source of monies to pay general obligation debts and to support the general fund.

Proposed Budget – The initial budget appropriations proposed by the City Manager for approval of the Budget Committee and adoption by the City Council.

Proprietary Funds - A fund that accounts for operations that are financed and operated in a manner similar to private business enterprises. They are usually self-supporting. The City's proprietary funds are the Water, Sanitary, Storm, and Telecommunications funds.

PSU - Portland State University. The University prepares populations estimates each July 1 for all Oregon Municipalities.

Reserved for Future Years - An amount budgeted, but not appropriated, that is not anticipated to be spent in the fiscal year, but rather carried forward into future fiscal years.

Resolution - An action by the governing body which requires less formality and has a lower legal status than an ordinance.

Resources - Financial resources that are or will be available for expenditure during the fiscal year.

Restricted Revenue - Financial resources that are subject to some level of restriction based on statutory, legislative or council action.

Revenue - The gross receipts and receivables that the City receives such as: tax payments, licenses, fines and forfeitures, grants and interest income.

SFR - Single Family Residential.

SPOA - Sherwood Police Officers' Association union.

Supplemental Budget - Appropriations established to meet the needs not anticipated at the time the budget was proposed.

System Development Charges (SDC) - Fees charged upon issuance of building permits to offset the cost of infrastructure improvements that are or will be required to provide capacity to serve the development. SDC's are charged for parks, water, sanitary, stormwater, and streets.

Transfers - Amounts moved from one fund to finance activities in another fund, with no requirement of repayment.

TRNWR - Tualatin River National Wildlife Refuge. The Refuge lies in and outside the northwest edge of Sherwood.

TSP - Transportation System Plan. A long-range plan for transportation needs and facilities.

TVWD - Tualatin Valley Water District, a regional water supplier.

Unappropriated Ending Fund Balance - An amount set aside in the budget to be used as a cash carryover to the next year's budget; providing the local government with operating cash until tax money is received in November.

Unrestricted Revenue - Revenue that may be used for any legitimate City purpose. Please refer to "restricted revenue."

URA - The City of Sherwood Urban Renewal Agency. The Agency is a municipal corporation distinct from the City. The Sherwood City Council serves as the Board of Directors for the URA, and its budget may be obtained from the City of Sherwood.

URD - The urban renewal district, the geographic area encompassed by the City of Sherwood Urban Renewal Agency.

User Charges - A fee charged for services to a person who directly benefits from the service.

Uses - The ways in which financial resources will be used during the fiscal year.

WCCLS - Washington County Cooperative Library Services. This regional entity receives property taxes from each city in the consortium. The money is used to fund county-wide services such as the circulation software and interlibrary loan. A portion is returned to each city based on a formula that includes circulation, open hours, and other service-related measures.
